GRAND JURY CRITICIZES GIRLS' REFORM SCHOOL

GRAIN RAIL RATE CUT IS TO BE MET

C.N.R. and C.P.R. Heads Say East Canadian Charges Will Equal U.S.
New Move of U.S. Railways Designed to Benefit U.S. Atlantic Ports

Ottawa, May 3.—"I would not like to comment specifically on this matter until I have examined it and had an opportunity to see how it works out," said Sir Henry Thornton, president of the Canadian National Railways, here today when invited to comment upon the report that United States railways contemplated a reduction of two cents a bushel in the freight rates on grain from Buffalo to United States Atlantic ports.

Sir Henry added there would be no doubt, as E. W. Peaty, president of the Canadian Pacific Railway, had indicated, that should this resolution become effective, steps would be taken by the railway companies to protect the interests of Canada and Canadian producers.

DEATH TOLL OF STORMS FORTY-FOUR

Areas in States From Alabama to Maryland and Michigan Suffer Losses

Louisville, Ky., May 3.—Forty-four lives were lost yesterday and Wednesday in storms that struck in varying form, seven southern states and sections of the Midwest.

Virginia's death list of twenty-three was the largest. A teacher and thirteen children were killed in a school building collapse in that state. Other southern states suffering from the storm were Arkansas, Tennessee, Maryland, Florida, Alabama and Kentucky. At least 100 persons were injured, many seriously, throughout the South.

Storms were of less violence in the Midwest. Two deaths occurred in Michigan, two in Illinois and two in Ohio.

The latter deaths were at Columbus, two prisoners being killed in the collapse of a portion of the wall of the jail in a windstorm.

SNOW PROTECTS BLOSSOMS

In the southern Michigan fruit belt, now celebrating blossom time, soggy snow covered trees, vines and landscape to a depth of four inches. The unseasonable snow is believed to have protected most of the fruit from frost damage. Lake Michigan went on another rampage, pounding the Chicago shore line and attacking the foundations of many buildings close to the shore line.

VESTRIS STORY TOLD IN LONDON

Second Officer L. Watson of Lost Atlantic Liner Testifies at Inquiry

London, May 3.—A graphic story of the sinking of the liner Vestris in the Atlantic and the dramatic end of Captain William J. Carey with the words, "My God, My God, I'm not to blame for this," on his lips, was told by Second Officer Leslie Watson at this afternoon's session of the British Board of Trade inquiry into the disaster.

"The Vestris turned right up and her blue keel came up," said Watson. He and Captain Carey were thrown into the sea, Watson with a lifebelt on but the captain without one, although there were plenty of lifebelts available.

After the ship had sunk Captain Carey and he were holding on to one another.

"I never saw Captain Carey again," said Watson.

Asked if anything passed between the captain and himself at the very last critical moment, Watson told of the captain's dramatic exclamation that he was not to blame.

"I don't know whether he was saying it to himself or to me," said the second officer. "That was when the ship was nearly going down."

PLANES TO DUST ONTARIO FORESTS

Ottawa, May 3.—Equipped with specially constructed aeroplanes, aviators this summer will fly Dominion entomological experts over hundreds of square miles of balsam and hemlock forest areas in the Sudbury and Muskoka districts of Ontario who will "dust" poison from the air in an effort to eradicate insect ravages which annually take a heavy toll of pulpwood forests.

B.C. Fertilizer Will Be Salvation of Wheat Belt Commission Is Informed

350 ABOARD SHIP ASHORE ARE SAVED

On East Siberian Coast Rescuers Try to Save Fifty-eight Japanese and Russians

Tokyo, May 3.—Brief radio messages from the steamship Hachiro Maru to-day told of its struggle to rescue more than 100 persons from the Japanese steamer Goyo Maru, which had run aground in Kuroishi Gulf in a heavy snowstorm Wednesday night.

The Hachiro, summoned by radio, reached the scene at 4 o'clock yesterday afternoon and took off 350 fishermen before rising seas and darkness compelled cessation of the rescue efforts. It stood by during the night to take up the task again to-day. Twenty fishermen and thirty-eight of the crew remained on the wrecked vessel.

The Goyo Maru, of 2,940 tons, was under Russian charter for the fishing season on the Kamchatka Banks. Of the fishermen, 312 are Japanese and the remainder Koreans, Chinese and Russians, including twenty-seven Russian women.

Motor Crash Brings Judgment For \$5,000

Vancouver, May 3.—Following trial in the British Columbia Supreme Court (S.C.), Chief Justice Morrison has awarded Alexander M. Matheson, real estate agent of Vancouver, and his wife, Eva Mary Matheson, \$5,000 damages against Nunn and Thomson, undertakers, as compensation for injuries sustained by Mrs. Matheson on September 14 last.

Driving her husband's automobile west on Forty-ninth Avenue, Mrs. Matheson collided with defendant's hearse, which was proceeding south on Granville Street at the intersection. Mrs. Matheson's left hand was badly injured.

Her husband was a co-plaintiff with a claim for \$500 expenses, which he incurred as a result of the accident.

CAMPAGN OF LIBERALS IN BRITAIN BRISK

Outstanding Plank of Election Platform Is New Employment Plan

London, May 3.—(By George Hamilton, Canadian Press staff correspondent.)—Over the length and breadth of this country Liberals are battling for a return to power. With Lloyd George at their head they are waging such a merry fight as has not been seen for years.

From Land's End to John O'Groats Sir Herbert Asquith leads a motor parade. From constituency to constituency Mr. Lloyd George dashes with the vigor of a Gladstone in Midlothian. It is not that the Liberals expect to have the largest party in the next Parliament, but Lloyd George has made it quite clear he expects to hold the balance of power. And there are those who think that in the uncertainties which would follow a close run between the Conservatives and Labor, Mr. Lloyd George might again be summoned to form a government.

EMPLOYMENT PLAN

Liberals urge their traditional doctrine of free trade, taxation of land values and so forth, but it is the Lloyd George unemployment pledge which holds the floor. Conservatives and Labor attack that and challenge it. Some of the old guard Liberals throw cold water over it. Mr. Lloyd George (Concluded on page 3)

BRITAIN EXPECTS SCORE OF WOMEN TO BE ELECTED M.P.'S

London, May 3.—(Canadian Press Cable).—Sixty-four women candidates will contest sixty-three constituencies in the British general election May 30.

Twenty-four of these women are members of the Conservative party, twenty-four are members of the Labour party, and six are members of the Liberal party.

Politicians estimate one-third of the women candidates will be elected on May 30, which would more than double the present number in the House of Commons.

The newcomers include Lady Cynthia Moseley, daughter of the late Lord Curzon, who is a Labor candidate in Stoke-on-Trent. Her husband is a Labor member for Smeeth.

Miss Margaret Lloyd George, in Glasgow, represents the Liberals.

Mrs. Helen Rathbone, first woman member of the Liverpool city council and president of the National Union for Equal Citizenship, is an Independent candidate for the combined Universities of Durham, Liverpool, Manchester, Leeds, Sheffield and Bristol.

Elected Leaders of Victoria Chamber of Commerce To-day

P. B. FOWLER President

URGENT ACTION ON FOWLER AGAIN POWER RIGHTS CHAMBER HEAD

B.C.E.R. Application For Campbell River Waterpower Finds Support

Chamber of Commerce Calls Special Meeting to Discuss Policy

Protest against any prolonged delay in the application of water-power rights at Campbell River by the Provincial Government was voiced at the meeting of the Chamber of Commerce directors to-day.

Furthermore, it was urged, the chamber should vigorously support the application of the B.C. Electric Railway Company to secure these power rights.

A special meeting of the directors will be held next Monday at noon to discuss the matter and definitely form a policy.

MAYHEW REPORT

A report was made by R. W. Mayhew, manager of the Associated Boards of Trade of Vancouver Island at Duncan on Wednesday when it was decided to seek a three months' hold on the power award. This report was received by the board but exception to its terms was taken by several speakers.

J. O. Cameron maintained that the question should be settled within two weeks' time, according to the present plan. The chamber, he said, should strongly support the application of the B.C. Electric Railway Company for acquisition of the power rights.

POWER QUESTION

He pointed out that if pulp and paper interests secured control of the Campbell River site, the interests of the southern end of the Island in the matter of cheap power would not be considered.

James Parfitt referred to the great importance of the power question, stating a meeting of the Manufacturers' Association was to consider the matter immediately.

With regard to the B.C. Electric, he said this company would probably reach peak production in about three years time and that if steam electric power was then necessary to produce cheap power, cheap rates would not be available.

S. J. Hall suggested that officials of the B.C. Electric would be willing to appear before the board and give their views on the subject.

J. L. Beckwith discussed the power situation on the Island generally, pointing out the united opposition of industry and farmers to the proposed power project.

CONTRACT LET FOR ADDITION TO BIG WINERY

Luney Bros. Awarded Work By Growers Wine Company

Storage for over 1,000,000 gallons of loganberry wine will be available this summer at the Lake Hill warehouses of the Growers Wine Company Limited, when a new addition, to be erected immediately, is in readiness in July.

The Growers Wine Company Limited yesterday let a contract for additional storage space accommodating vats to hold 400,000 gallons. Luney Brothers Limited were awarded the contract, the inclusive price being \$30,000. The addition will conform to the general structure of the existing buildings and will be carried out in brick and concrete.

C. E. Watkins is the architect.

OLYMPIA MARRIAGE

Olympia, Wash., May 3.—Word of the marriage in Vancouver, B.C., of Assistant Attorney-General B. B. Adams to Mrs. Agnes E. McLean of that city was received today by the Washington State Attorney-General's office here, formerly of Spokane, has been an assistant Attorney-General for almost six years.

Anti-prohibitionists Find Encouragement

Boston, May 3.—Anti-prohibition forces in this state are hailing the "wet" victory in Wisconsin, which state voted by a wide margin to repeal the state enforcement law, as an indication of a shift of sentiment in the United States away from prohibition.

Four states now have no prohibition enforcement laws of their own, while two others, Illinois and Missouri, are considering taking votes to decide whether their laws should be repealed.

Admiral Campbell Is In Vancouver To-day

Vancouver, May 3.—Rear-Admiral Gordon Campbell, V.C., D.S.O., commander of British mine-sweeping ships during the World War, arrived in Vancouver at 8 o'clock this morning in the course of a speaking tour of Canada. He was greeted at the station by a civil delegation and naval officers.

On Sunday he will leave for Victoria, where he will give addresses.

This is not Admiral Campbell's first visit to the Coast, for twenty-five years ago, while he was a midshipman, he was stationed at Esquimalt.

CEREMONY OF GARTER IN ORIENT

Duke of Gloucester Presents Insignia of Order to Japanese Emperor

Order of Chrysanthemum Bestowed By Emperor on King George's Son

Tokyo, May 3.—Prince Henry of Great Britain, third son of King George and Queen Mary, to-day presented Emperor Hirohito of Japan the insignia of Britain's highest order of knighthood, the Garter.

Then Emperor Hirohito journeyed across the city to Kasumigaseki Palace, the Prince's temporary home, and bestowed personally upon him the Grand Order of the Chrysanthemum, Japan's highest decoration.

The two ceremonies were the climax of a trip half way around the world by the young Prince, as he is more widely known, the Duke of Gloucester, who was welcomed here from his native land yesterday.

IN STATE COACH

The ceremony of the Garter bestowal was held in the throne room of the Imperial Palace. Prince Henry left Kasumigaseki Palace in a dower of a palanquin, accompanied by Crown Prince Chichibu, brother of the Emperor. A state coach, drawn by six horses, carried them to the Nijubashi Bridge, over which, followed by a long retinue, they made their way to the palace hall of waiting.

Meanwhile there had assembled in the throne room the Imperial Princes and courtiers, the British Ambassador and his staff, marshals, admirals, Premier Tanaka and the Government's ministers, who were drawn up in two lines to the right and left of the throne.

The Emperor, wearing the uniform of the generalissimo of the Japanese army, entered, attended by a brilliant suite. All bowed their heads as he mounted his throne. An unseen band played God Save the King and Prince Henry, with his attendants, advanced slowly along the corridor leading to the throne room, then entered the room and approached the Imperial dais.

He bowed to the Emperor and then read the message from his father, King George, asking His Imperial Majesty to accept the insignia. The message was translated into Japanese and then handed by the Prince to Emperor Hirohito.

BULLETS FLY IN SUBURB OF BERLIN

Communists Make Attack and Police Reply With Volleys From Machine Guns

Shouts of Fighters and Cries of Wounded Heard as Battle Rages

Berlin, May 3.—Communist disorders broke out again this afternoon in the Hermannstrasse, principal street of the Berlin suburb of Neulin and background of last night's troubles. A number of shots were fired on the police from windows and a bombardment of stones began from the house tops. Simultaneously a steady stream of communists began pouring in from adjacent streets.

Most of the communists were armed with clubs and brass and iron knuckles. They charged at police, who fired shots in the air. The attack soon grew so hot the police began to shoot to wound.

This checked the communists, who precipitately took shelter in nearby houses while police cars filled with emergency squads dashed through the streets returning the shots from houses and across by steady machinegun fire.

By 2 p.m. the fighting was in full blast with firing from both sides to the accompaniment of yells and shrieks of the wounded. Two women who inquisitively stepped out on a balcony were shot.

The police passed word strictly prohibiting people showing themselves at windows or on roofs.

Two Scotland Yard Officers Are Dismissed

London, May 3.—Two officers of the special political branch of Scotland Yard have been dismissed from the force for breaches of confidence, communicating information to unauthorized persons and neglect of duty. An official statement gives their names as Inspector Glinhoven and Sergeant Jones.

DEATH ENDS GLOBE TROTTER'S AMBITION WITH GOAL IN SIGHT

The ambition of Dan J. Leroux, who was in Victoria two years ago in the course of a world-grinding trip by foot, has been overtaken by death, it is revealed in a telegraphic dispatch from Capetown.

On the final lap of his globe journey, Leroux, who was accompanied by his wife, was killed at Worcester, South Africa, last night.

Mr. and Mrs. Leroux had traveled over 44,000 miles during their six and a half year adventure. They started from Johannesburg on December 31, 1922 had covered 14,000 miles by foot and 30,000 miles by water. They had traversed Africa to Johannesburg, when Mr. Leroux fell ill.

\$2,500 AWARD ON AUTO ACCIDENT

Vancouver, May 3.—The British Columbia Supreme Court today awarded a \$2,500 award to Mrs. Nellie Winifred Tedlock against A. McKelvie, who is secretary of the Sunner from Works.

The award is to compensate Mrs. Tedlock for injuries sustained March 15, 1928, when an automobile driven by her son and in which she was a passenger collided with defendant's motor car at the intersection of Thirty-first Avenue and Marguerite Street.

ROMANCE TOLD OF STORE CLERK AND STREET CLEANER

"Five and Ten Cent Annie," a Warner Bros. production featuring Louise Fazenda, Clyde Cook and William Demarest, and including Gertrude Astor, Douglas Gerrard, Tom Ricketts and Eddie Haffner, is now playing at the Playhouse theatre. This love story of a clerk at the five-and-ten and a thorough street cleaner is one of the funniest photoplays of the year. It was adapted from a Leon Zuckor story by Charles Condon. Roy Del Ruth directed.

SON OF WEALTHY CHEMIST TURNS TO SCREEN FOR WORK

The hero of "Aflame in the Sky," F. B. O. picture now playing at the Coliseum theatre, will some day be one of the wealthiest young men in America. Yet rather than laze his life away, he turned to the movies so that he might work for his own living, but at the same time gets the maximum amount of action into his life. The son of the famous patent medicine king and chemist, Jack Lunden, may even exceed his father's personal wealth through his own efforts. Motion picture stars are well paid, and there are not going to be very many lazy moments in his life. Lunden's first picture for F. B. O. was the leading role in "Bill Grimm's Progress," a series by H. C. Witwer.

GEORGE BANCROFT, STAGE STAR, NOW HEARD ON SCREEN

George Bancroft is heard as well as seen for the first time in the Paramount all-talking picture, "The Wolf of Wall Street," now showing at the Dominion Theatre. The picture is 100 per cent talking augmented by startling sound effects.

Followers of the legitimate drama will recall George Bancroft's name blazoned along Broadway for several years as one of the outstanding stars of the stage. Paramount was reluctant to present the star in an all-talking picture until the right kind of a story could be secured for him. "The Wolf of Wall Street" was considered ideal, inasmuch as the plot includes all the elements that the star has been accustomed to be seen in, with the additional feature of being easily adaptable to dialogue. The story was written by Davis Anderson, the film directed by Rowland V. Lee.

"SUNSET PASS" FILMED IN OLD ARIZONA TOWN

Jack Holt, with his company of players, including Chester Conklin, Nora Lane, John Loder and Guy Oliver, "discovered" that in some sections of the country, the "old west" still thrives in much the same manner that it has been depicted by chroniclers of history, motion pictures and story books.

The company recently spent over two weeks in this atmosphere while filming scenes for "Sunset Pass," the filmization of Zane Grey's novel of the same name, which opened yesterday at the Capitol Theatre.

Headquarters were established at an old trading post in southwestern Arizona. In this locality, smoke still rises from the adventurer's camp-fires, and

"LITTLE ANGEL OF HELL'S VALLEY" IS STAGE PRODUCTION

With a stage presentation entitled "The Little Angel of Hell's Valley," the Coliseum Players, under the direction of Raymond "Toby" Leitch appear this week at the Coliseum theatre. To-morrow there will be three stage performances, one in the afternoon and two in the evening. The players will take the stage in the evening at 7:30 o'clock and again at 10 o'clock.

Although the plot is gripping and rather serious, comedy is plentiful in presentation. "Toby" Leitch provides most of the fun and succeeds in keeping the audience well amused. His appearance in his red wig peculiarly suits him and he makes a comical and at the same time lovable figure on the stage. Miss Leone Webster, Miss Ada Daniels and Miss Esther Todd are the three-feminine members of the cast and give fine performances in their respective roles. All are clever actresses and have charming stage presence.

After making a name for herself in that famous screen success, "Mademoiselle from Armentieres," Estelle Brody is the featured player in its sequel, "Mademoiselle Parley Voo," the current screen attraction at the Coliseum theatre.

PRIZE-WINNER AT FESTIVAL

ROSETTE LEE, winner of the Victoria Musical Festival medal in Class 52, violin, and silver medal in Class 13, vocal, and School of Expression Cup for highest marks in Junior singing. She is a student of the Columbia School of Music.

Jack Holt, who stars in the Paramount production "Sunset Pass," now showing at the Capitol Theatre, is seen above in a scene from this fine adventure film. The story is by Zane Grey.

ENGLISH GLEE SINGERS THRILL WITH THEIR ART

Magnificent Programme of Popular Music By Famous Singers at Royal

Entire Change of Numbers For Remainder of Performances Here

That music of popular appeal can be as beautiful and inspiring when properly rendered as the more serious "highbrow" type of music was amply demonstrated at the Royal Victoria Theatre last night when those pastmaster artists in the art of singing, the Westminster Glee Singers of London, England, returned to delight local music lovers with the perfection of their art.

Smaller in point of numbers than such a magnificent performance warrants, the audience made up for its paucity of numbers in enthusiasm which mounted steadily throughout the evening, the singers responding generously to the insistent demand for encores.

One is constrained at this point to note again the inconsiderateness of those members of the audience who came in late, unhappily an all too frequent failing in this city. Although scheduled to commence at 8.15, certain tardy seatholders arrived at a few minutes to nine, not only disturbing the singers, who waited until the late comers were seated, but causing much inconvenience and annoyance to others.

PURITY OF DICTION

Fifteen singers, including seven boy sopranos, two alto, three tenors and three basses make up this musical aggregation, and whether in ensemble or individual numbers their art is impeccable, denoting long and careful training and many hours of sheer hard work. Beautiful phrasing, velvety tone, imagination and flawless technique marked their performance throughout, and one of their most outstanding characteristics is a purity of diction which makes of their performance a sheer delight to listen to.

Part songs, including a beautiful and unusual arrangement of "Dixie

A Strong Link in Canada's Industrial Chain

WHEN the complete story is written of the world's industrial development during the last half century a glowing chapter will be devoted to Canadian manufacture.

It will describe the valiant struggle of a young nation competing against giant industrial countries. It will show the gradual rise of Canada to her present position as a great and ever growing factor in the world's affairs.

This epic tale will prove that Canada stands seventh in world manufacture . . . that she is first in the making of newsprint, fourth in the automobile industry, in flour-milling and in rubber manufacture, has some of the largest chemical plants and plans to occupy one of the leading positions in metallurgy. Canada has good reason to be proud of her manufacturers.

The manufacturers of the past relied with confidence upon The Canadian Bank of Commerce. Those of to-day are of the same faith and, looking forward, use to the fullest extent the services of this Bank . . . an integral part of Canada's industrial structure.

THE CANADIAN BANK OF COMMERCE

S. H. LOGAN, General Manager

Land" by Donald Reid, one of the sitors, "The Bells of St. Michael's Tower," with its clever simulation of the notes of the cello, Edward Germain's "Bonny Lass She Smiled," the spirited hunting song, "Foresters Sound the Cheerful Horn" (Bishop), with the boy sopranos echoing the air off-stage; the old round, "Would You Know My Cella's Charming," two old Elizabethan part songs, "Since First I Saw Your Face" (Ford), and "When From My Love" (Bartlett), all served to reveal perfect ensemble work, with each singer subjugating his own personality to the perfect whole. Attack, rhythm, light and shade, together with poetry, combined to make an unforgettable performance.

The boy sopranos won well-merited acclaim for their rendition of the dainty union song, "April is a Lady" (Montague Phillips), and as an encore Lionel Monckton's charming "Pipes of Pan," with its joyous theme well-suited to their fresh young voices. Master Harry Fearn, one of the smallest of the boys, in a soprano voice of crystalline purity and flute-like quality, later in the programme sang as a solo the Schubert "Cradle Song" with a humming vocal accompaniment, and, as an encore, the lovely old English air, "Cherry Ripe."

Charles Draper and James Barber, two of the basses, gave an artistic interpretation of Bal's "Ladies Fly From Love's Smooth Tale" and the amusing Offenbach duet, "The Bold Gendarmes," both numbers revealing the excellence of their voices. Later in the programme Mr. Barber's full, sonorous bass was heard to advantage in Coningsby Dawson's exquisite song, "The Blind Ploughman," sung with much feeling, and the spirited "Spanish Gold" (Fisher).

Charles O'Connor, possessor of an appealing tenor voice, also proved an

adept at the harp, playing his own accompaniments for the solos, an old traditional Irish air, a "Song of the Hebrides" and "The Little Red Lark." Donald Reid, an alto with a voice of extraordinary range and sweetness, delighted the audience with the old Irish air, "Oft in the Stilly Night," and Mendelssohn's "On Wings of Song," and James Davis, another of the tenors, gave an artistic interpretation of "I Hear You Calling Me," followed by an old Warwickshire folk song, "Among the Leaves So Green," in which he was joined by the boy sopranos.

ROLLICKING SEA CHANTEYS

A humorous touch was imparted to the programme by Albert G. Green, who proved a clever comedian as he was a bass in the rollicking picturesque sailor chanteys with chorus, including "Sally Brown," "Good Morning, Ladies All" and the popular "Drunken Sailor," and as encores, "Bully-Boy" and "Whooop, Jamboree." In the group of old English country songs which were a picturesque and popular feature, Mr. Green sang the old favorite, "Richard of Taunton Chase" and the Cumberland folk song "Because I Was So Shy," to the delighted amusement of the audience.

PICTURESQUE FOLK SONGS

Folk songs from Somersetshire, Suffolk, Sussex, Westmoreland and Berkshire introduced many of the audience for the first time to these beautiful old melodies of the English countryside, of which, as Edward Branscombe, the director, noted in a brief speech, there are 2,000 published forms.

In a programme of secular music of such catholic range and popular appeal, the inclusion of two sacred numbers lent additional interest, the magnificent sixteenth century, "Ave Maria" and the anthem, "Ring Out With Joy the Chimes," revealing a devotional sense and spirituality which reminded one practically that every member of this choral aggregation is associated with one or other of the great English cathedrals, including Westminster Abbey, St. Paul's Cathedral and Christ Church Cathedral.

The Westminster Glee Singers will appear again to-night and to-morrow afternoon and evening in entirely different programmes, and it is to be hoped that Victoria, which prides itself upon its adherence to British traditions, will lend whole-hearted support to this magnificent aggregation of English chorists.

Association of Dailies Holds Annual Meeting at Toronto

Toronto, May 3.—The general meeting of the Canadian Daily Newspapers Association was concluded here yesterday with the election of W. B. Preston of the Brantford, Ont., Express, to the presidency, succeeding Henri Gagnon, Quebec Le Soleil. W. G. Jaffray of The Toronto Globe, was elected vice-president, and N. T. Bowman of The Toronto Telegram, treasurer.

Western directors include E. H. Macklin, Free Press, Winnipeg; J. L. Tate, Colonist, Victoria; R. N. Cantlon, Star-Phoenix, Saskatoon; and John M. Imrie, Journal, Edmonton. J. W. Sifton, Free Press, Winnipeg, was elected chairman of the paper committee, and F. S. Ker, Spectator, Hamilton, Ont., chairman of the labor committee.

YEAR OF PROGRESS
At the concluding session of the meeting Mr. Gagnon, retiring president, said the last year had been one of continued progress, steady growth in circulation and an expansion of editorial influence. The aim of the association, said Mr. Gagnon, should be to render the modern newspaper more useful and instructive than the complaint would be heard against them except from authors who could not sell their books.

Mr. Gagnon said the Canadian Press and the Canadian Daily Newspapers Association had done much to bring about a noticeable change in favoring a better understanding between all the provinces.

NEWSPRINT SITUATION
A great portion of the time of the general meeting was expended in the discussion of the present situation in the newspaper industry as affecting the publication of daily newspapers. The new method of quotation of prices, which were formerly based on 100 mill figures and the offering of long term contracts by the mills were freely discussed, the problem being referred back to the paper committee for further consideration.

LABOR QUESTIONS
Matters relating to labor were also under discussion for a large part of the session, among the speakers being Harvey J. Kelley, chairman of the standing committee on labor of the American Newspaper Publishers Association, who was present by an invitation of the Canadian Association.

At the meeting resolutions of condolence were passed by the members extending the sympathy to the members of friends of the association who had suffered losses during the last year. Among these were messages to the families of the late J. R. Robinson of The Telegram, Toronto, of the late Sir Clifford Sifton and the late Hon. Walter C. Nichol, so long identified with The Vancouver Province.

Two new members were welcomed into the Canadian field and messages of congratulation and good wishes were sent to them. These were The Regina Star and The Northern Mail of The Pas, Man.

CAMPAIGN OF LIBERALS IN BRITAIN BRISK

(Continued from page 1)

repeats it and reaffirms it, with what ultimate result only the ballot will show. "The work put in hand," so pledges Mr. Lloyd George, "will reduce the terrible figures of the workless in the course of a single year to normal proportions and will, when completed, enrich the nation and equip it for competing successfully with all its rivals in the business of the world. These plans will not add one penny to the national or local taxation."

WICH ROAD WORK

Under the Liberal plan, work would begin at once on six main lines:
1. Roads and bridges, national trunk roads, ring roads around towns, avenue roads to new suburbs, by-passes to relieve congested traffic, improvements to rural roads and reconstruction of bridges.
2. Rapid building of houses to rent at small rates.
3. Extension of telephone service.
4. Electrical development.
5. Land drainage on a large scale.
6. London passenger transport.

THANKS EXPRESSED
When the Emperor had expressed his thanks for King George's courtesy in sending the Order by the hand of his son, Prince Henry mounted the steps of the throne and knelt with one knee on a cushion at the Emperor's feet. He then adjusted around the left leg of the Emperor the royal purple band, with its gold-embroidered words: "Honi Soit Qui Mal y Pense" (May he be shamed who evil thinks).

HATT'S HARDWARE
1418 DOUGLAS STREET

B.C. FERTILIZER WILL BE SALVATION OF WHEAT BELT COMMISSION IS INFORMED

(Continued from page 1)

"I believe in a grain pool under certain conditions," he said, "but not under the condition that the pool has to grasp the grain trade by the throat," and added: "I would not care to be a farmer if there were compulsory pooling."

Mr. Commissioner Stoneman, himself a leading farmer, assured Mr. Castle that the pool was not seeking compulsory pooling legislation.

The commission concluded its Victoria sittings this afternoon and will sit in Vancouver on Monday. C. C. Castle, former Canadian warehouse commissioner at Winnipeg from 1900 to 1912, prior to the creation of the Grain Commission, gave the inquiry an exhaustive history of the handling of grain in Canada. He told of his early efforts to stop grain mixing and of vigorous fights on this issue before committees of Parliament.

Mr. Castle was a member of the Royal Commission which drafted the Grain Act of 1911 and explained the basis on which existing grain legislation was drafted.

Mr. Castle entered a vigorous protest against the mixing of various grades of grain in elevators. "This practice," he said, "results in enormous losses to the farmers' irrespective of what elevators engage in it," he said.

In all business, he said, superior quality would secure the domination of the market. This principle should guide the Canadian grain business, he urged.

He told of a trip he had made to England in 1902 to investigate methods of grain handling there. He had been urged by leading English grain men, he said, to keep Canadian grain grades pure and to prevent any mixing of grades.

To handle the mixing problem, Mr. Castle urged that the mixing of all the standard grades of grain be forbidden. As a compromise, however, he would not object to the mixing of commercial grades. Mr. Castle declared that the present dissatisfaction among grain growers over Canada was largely due to mixing.

B.C. FERTILIZER
He turned then to an aspect of this problem of great interest to British Columbia, which will soon be turning out fertilizer in huge quantities.

"Another difficulty," he said, "is that much of the land of Manitoba, Saskatchewan and Alberta after being under cultivation for long periods is held sick due to the lack of fertilizer."

Mr. Castle pointed out that the Consolidated Mining and Smelting Company was planning to make fertilizer from phosphate deposits and wasted acids and had tested the product out on prairie farms last year.

"The western provinces can absorb several million tons of fertilizer annually," he said. "The manufacture of fertilizer on a large scale will be the greatest salvation the western provinces have ever known. It will cause an increased yield, an earlier harvest, and bring a reduction of taxation."

URGE ACTION ON POWER RIGHTS

(Continued from page 1)

power development on rivers regarded as good salmon grounds. Mr. Hall, manager of the light and power department of the British Columbia Electric Railway spoke of the general power development by the company. While an addition was now being made to the plant at Jordan River, the total production would probably be taken up within a few years by commercial concerns.

SURVEYS NECESSARY
If the company obtained the Campbell River rights, it would take three or four years to develop it in any case and therefore an immediate start on surveys and similar work would be necessary.

The city now had a power load of 40,000 horsepower whereas twenty years ago it was only 8,000. The possible development in a few more years could easily be visualized.

The upper island would certainly not lose in the matter of power sources if the B.C.E.R. should obtain the rights, he said.

LONG POWER LINE
A power line 165 miles in length would probably be installed supplying sub-stations en route.

Reginald Hayward, M.P., spoke of the necessity of the rights at Campbell River going into competent hands. Furthermore, he thought, it should be handled by a British firm.

The island as a whole had to look to its own initiative for its progress, he pointed out and moreover, with the development of Victoria, the rest of the island would go ahead.

DEATH TOLL OF STORMS FORTY-FOUR

(Continued from page 1)

The weight of snow damaged fruit trees in southern Illinois and Missouri, and cold weather was a threat to the strawberry belt in the Ozarks.

SCHOOL DISASTER
The most violent of the high winds struck at Ryer Cove in western Virginia where thirteen children and one teacher were killed in the collapse of a school building in which 200 children were at their classwork. Thirty-seven others were taken to hospitals with injuries, with small hopes held today for the recovery of at least seven. Five children were reported missing.

One child also was killed when a school at Woodville, Va., was destroyed and two negroes lost their lives when their cabin was struck at La Grange, Va. An unknown number of persons were injured at Woodville.

JACKSONVILLE SUFFERS
Two persons were killed and five injured at Embreville, Tenn., by the high wind, while one was killed and twelve injured by a small "twister" that destroyed several houses on the outskirts of Jacksonville, Mo. last night.

In Baldwin County, in southern Alabama, one person was killed and seven injured by a terrific windstorm. A youth living near Slaughter, Ky., was killed by lightning that accompanied a small tornado which injured five persons in Pulaski County.

DEATHS IN ARKANSAS
Wednesday's tornadoes in Arkansas took a toll of five lives and thirty injured at Wheatley, in the eastern section of the state, and at Fort Smith, in the western area.

GRAIN RAIL-RATE CUT IS TO BE MET

(Continued from page 1)

Toronto, May 3.—The Toronto Mail and Empire published the following this morning:

"Reduction of freight rates on grain shipped from Buffalo to United States Atlantic ports may be met immediately and equally by the Canadian roads by a reduction in the rates between Montreal and Canadian Atlantic ports and possibly further by a reduction in the rates on grain between prairie producing points and the Maritime."

"This was indicated by the comment of E. W. Beatty, president of the Canadian Pacific Railway, when shown the dispatch from Washington announcing the United States grain rate cut before

he left Toronto for Montreal last night."

"Mr. Beatty explained the stretch between Buffalo and the North Atlantic was equivalent, from a transportation standpoint, to Montreal to Halifax, N.S., St. John, N.B., and other Canadian maritime points. Now the United States roads have volunteered to cut the Buffalo-North Atlantic rate by two cents a bushel, representing it as a measure to relieve grain traffic congestion."

"The United States farmers in moving their grain out of producing areas."

ASSOCIATION DISCUSSION
"He said: This reduction announced from Washington changes the relations which had established a practical parity between the rate out of Buffalo to American seaboard ports and the rate from Montreal to Canadian Maritime ports. It destroys that parity. I can not, of course, say anything definite as to what will be done, but undoubtedly the move by the United

States roads will be taken up at an early date by the Canadian Freight Association, and I think an equivalent reduction by Canadian railways will be considered."

Feel Good

Most ailments about from poor circulation (constipation or weak constipation), intestinal poisons sap vitality, undermine health and make life miserable. Tonight try N-R's—NATURE'S REMEDY—all-vegetable capsules—not an ordinary laxative. One box will aid in restoring your appetite and give you that healthy, happy, vigorous feeling. Mild, safe, surely effective—25c.

SCREEN NEWS PHOTOGRAPHER ARRIVES HERE

William Irvine Installed By
Harry Pollard, Who Will
Spend Summer at Banff

William Irvine of Toronto, who has just completed a world cruise on the liner Empress of Australia, is now installed at the Empress Hotel as photographer for the Associated Screen News.

Harry Pollard, chief photographer of the Associated Screen News, who has been transferred to Banff Springs Hotel for the summer season.

Mr. Pollard left on Wednesday for the Rocky Mountain resort simultaneously with the arrival of Mr. Irvine from Montreal.

Since 1925, Mr. Irvine has been associated with Mr. Pollard in the pro-

duction of photographs for the Associated Screen News and after following up his cruise work for several years will continue at Victoria for the tourist season.

THREE WORLD TOURS

Mr. Irvine has made three world cruises and one Mediterranean cruise. He went around the world in the Spring of 1927 aboard the liner Empress of Scotland and following the completion of that voyage went to the Mediterranean on the Empress of France.

In the Winter of 1927-28 he again traveled around the world, this time on the Empress of Australia. His third world trip was made on the same ship, sailing from New York on December 1 last year.

He was assigned to the Prince of Wales's party when the British fleet appeared traveling through Canada in 1927.

He also toured the country with the Rt. Hon. James Ramsay MacDonald and Premier Stanley Baldwin of Great Britain.

RICH FIELD

During the course of the season here, Mr. Irvine plans to take hundreds of negatives, not only of prominent visitors to the city, but also of Victoria and district, which he considers a wonderful photographic field.

Mr. Irvine was born in Toronto and, when not afloat, has spent most of his professional life in Montreal.

He learned all he knows about the business from Mr. Pollard, who is rated

as one of the cleverest manipulators of the camera in the game.

TO ACCOMPANY DUKE

Mr. Pollard has not abandoned the coast territory.

Before leaving here Wednesday night for Calgary to enjoy a short holiday at home before taking over the Banff post, he said he expected to be back in Victoria early in June to accom-

pany the Duke of Gloucester, who is now in Japan, on his tour across Canada.

In the meantime he will do a little mountain climbing, snapping pictures from dizzy heights.

Excursion to Seattle on Saturday, May 11. St. Princess Kathleen. ***

MINISTERS FIND DRIEST SPOT AS SETTLERS DESERT

No Rain in Creston Dry Area
Since Last July, Says
Atkinson

The driest area in British Columbia, which, although fertile, is almost as barren of moisture as the Great Desert to the south, was discovered by Hon. F. P. Burden, Minister of Lands, and Hon. W. Atkinson, Minister of Agriculture, in the Creston land settlement area, on their visit here this week in an effort to find out what was the trouble with the settlers.

Complaints about the condition of the settlers have been pouring into the Parliament Buildings here in a steady stream from Col. Fred Lister, M.P.P. for the district.

"There has been no rain on the land there since last July," Mr. Atkinson announced at the Parliament Buildings to-day. "However, the land is of good quality and there is a deep soil, which in many parts is productive without application of water owing to

the moisture which is obtained from below."

On the 7,000 acres of settlement area on which the Government has spent \$800,000, the 100 families of settlers have now dwindled to twenty, Mr. Atkinson said.

Mr. Burden said that he had been informed that a domestic water supply could be obtained for the district for \$50,000 to make life easier for the larger part of the settlers. This would cover about 2,400 acres. He has ordered his officials to look into the proposal right away.

CFCT May Try Out Whistling Canaries Before Microphone

Hearing of the artists' strike, G. W. Drayville, manager of CFCT, Vancouver, B.C., stated that he would like to try the birds out before the "mike" and give radio listeners an opportunity to hear the golden songsters go through their repertoire of bugle calls.

It is expected that Mr. Drayville will have his birds sing over the air in the near future, and unless they become "mike shy" he expects to give listeners an entertaining programme, including calls from Revellie to Last Post.

MILITARY ACTIVITIES

The 58th Field Battery, C.A., will parade at the Armories, Bay Street, at 8 to-night. Dress, drill order. At the above parade arrangements will be made for equitation classes, which will be conducted as in the past at the Willows fair grounds. On Monday, May 13, a special course of instruction

for the signallers of the battery has been arranged. It is desirable that all signallers of the battery attend. Blues—It is now possible for this unit to secure their blue uniforms, a full turnout of the strength of the unit is necessary, so that the various sizes required can be noted.

T. R. MONK, Major,
O.C. 58th Field Battery, C.A.

Now Belts Join Ensemble Family

BELTS are the latest additions to the stylish ensemble family. Sometimes husbands add their presence making quite a wide diversity to the group. Jean Patou uses necktie silk for an ensemble group suitable for afternoon wear, consisting of bag, scarf, belt and hatband to match. The colors in the silk are navy blue and white and the stripes join in groups of four to make a decorative broad stripe. Note the latest way of wearing one's scarf—like a collar that ties itself in a bow-knot at the front of the V-neck.

A Cold, Moist Climate Means "Peaches and Cream" Skin

BY RUTH ETTING

THE English girl's complexion is the envy of her sisters throughout the world. Her skin is soft and velvety in texture, transparent in appearance and of rich coloring. Undoubtedly, the cold, moist climate of the British Isles is largely responsible for those lovely complexions that you see at every hand.

The same thing is true of American cities like San Francisco and Portland. The moisture brings out the volatile oils of the skin. The cold stimulates circulation and diffuses the excess of oil, so that the result is usually a soft, fine-textured skin, that is neither too dry nor too oily. Unless a woman has poor digestion or organic disorders, there is every reason for her complexion to be the proverbial "peaches and cream" in such a climate.

Ridding herself of the day's dirt and grime with a thin layer of cold cream, she next proceeds to wash her face in pure soap suds and lukewarm water. Very hot water has a wrinkling effect on the skin—and the usual run of scented soaps have foreign matter in their composition that is irritating to the myriad tiny cells. The cold water treatment that follows a thorough skin-cleaning is one of the most beneficial of all tonics. If the water is very hard, so that washing the face is not advisable, use a soft cleansing cream for the removal of dirt and close the pores with a very mild astringent. Cream, rather than oil, is recommended for moist climates.

The matter of "make-up" is a rather interesting one. Where the sunshine is particularly brilliant, it is necessary to live up one's coloring as the sun's rays lessen their true values. On the other hand, color effects are intensified in a moist climate and where the sun is not so penetrating. Consequently the beauty-conscious woman will tone down her color scheme of powder and rouge accordingly. Either dry or paste rouge may be used, according to the woman's personal preference and to the preponderance or lack of oil in her complexion.

MOTHERS And THEIR CHILDREN

MIRROR TO CATCH GERMS

One Mother says: "Cover up each cough and sneeze—If you don't, you'll spread disease." When my children were very young I put pockets in all their dresses and in the pockets handkerchiefs, which I taught them how to use. Then, as soon as each could talk, I taught him the couplet above. To illustrate its meaning I held a mirror in front of his mouth when he coughed to show how spray is expelled. I explained that this spray carried germs that "spread disease." Now each child is careful to cover up "each cough and sneeze."

NANCY PAGE

GREEN YELLOW AND RED MAKE ATTRACTIVE DISHES

By Florence La Gank

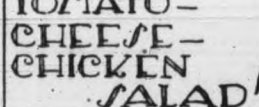

The Early American Club was meeting at Nancy's home. She tried to think of something new to serve. Putting two and two together, or rather two and one she made a three-in-one dish which was voted one of the successes of the year. The dish was not cheap, but then good foods never are. She called her dish a chicken, cheese, tomato salad loaf.

She used gelatine, tomato juice, seasonings, cheese, mayonnaise, chicken, celery, lettuce, ripe and stuffed olives. With it she served Melba toast.

The mixture was molded in a bread pan of baking glass or aluminum. Since there was quite a bit of acid in the tomato jelly she did not feel it was safe to mold the mixture in tin.

First she made a tomato jelly mixture following the recipe which comes

with a package of gelatine. That was poured into the mold and filled it one-third full. While that was beginning to set she made a mixture of nippy cheese creamed to a paste, modified somewhat with mayonnaise and stiffened with a small amount of dissolved gelatine. When this mixture was blended she poured it on top of tomato jelly, filling the mold up another third. The top layer was a chicken salad of chicken and celery marinated with French dressing and bound together with dissolved gelatine. That was put on top of other two layers. The dish was set to chill. At serving time it was unmolded, sliced and served individually on plates garnished with lettuce and decorated with rings of stuffed olives and whole ripe olives.

BRIDE OF RICHEST BACHELOR

For two years she nursed the "richest bachelor in America" back to health, and now Mrs. Percy Eames, above, of Cattletown, Ky., is the bride of Henry L. Doherty, utility magnate. Doherty revealed the other day that he and Mrs. Eames had married several months ago.

HIS "FOUNDATION"

The bishop was very tired. There were many candidates for confirmation, and the church grew hotter and hotter. The bishop could feel his eyes getting heavy.

At last, when he was nearing the end of his labors, a bald-headed man knelt in front of him.

The bishop, suppressing a yawn, put both his hands on the shining head, and muttered, "I declare this stone to be well and truly laid."

QUITE WILLING!

The sergeant was drilling the recruit squad in the use of the rifle. Everything went smoothly until blank cartridges were distributed.

The recruits were instructed to load their guns and stand "ready." Then the sergeant gave the command: "Fire at will!"

One recruit lowered his rifle.

"Which one is Will!" he asked.

IMPOSSIBLE ORDERS

Doctor—"What! your dyspepsia no better? Did you follow my advice and drink hot water one hour before breakfast?"

Patient—"I did my best, but I couldn't keep it up more than ten minutes."

Social, Personal and Women's News

MUSIC OF WIDE BENEFIT IN LIFE OF COMMUNITY

Says Edward Branscombe of Westminster Glee Singers Before Clubwomen

The vital part played by music in the community was the theme of an interesting address by Edward Branscombe, director and organizer of the Westminster Glee Singers, before the Women's Canadian Club yesterday afternoon, the talk being supplemented by numbers by the seven boy sopranos who are with the singers.

Majority in its relation to spiritual things, to health, to education, and to business life were the four phases touched upon by the speaker, who pointed out that the extraordinary growth of the radio had brought music into millions of homes which hitherto knew nothing of its appeal.

As to its relation to spiritual things, a devoted spirit could be demoralized more quickly by music than by any other influence, hence the prevalence of music in the services of the church which helped one to rise above the influence of material things.

Music had a definite relation upon health, in the opinion of the speaker, for it was a definite force impinging upon the bodies of the listeners and arousing right emotions. Many bodily emotions were affected by the emotions and the mind, and the right music produced a soothing, healing effect, whereas jazz had a baneful influence upon the emotions. "By all that you hold sacred, try and demolish that awful thing called jazz," was Mr. Branscombe's appeal to the women, as he told of its origin among savage tribes of Africa, who worked themselves into a frenzy before horrible tribal ceremonies by the beats of a drum and the rates of vibration, which corresponded to the present-day jazz.

Mr. Branscombe expressed the belief that when the whole science of vibrations was properly understood, music might supersede medicine and surgery in the treatment of disease.

COMMUNITY SINGING

He spoke with warm commendation of the helpful effect of community singing on business life, noting that it stimulated a feeling of goodwill and contentment, and expressed the hope that the movement would spread throughout Canada.

The speaker appealed to the women to endeavor to get a more respectable treatment of music in Canada. "One doesn't have to beg for the support of the film or the drama as one has to beg for the support of music," he pointed out. He also suggested that those responsible for music programmes should stand the standard for the highbrow, but for the lowbrow.

"Often the mistake is made of setting a serious type of music instead of one that the man in the street can understand and appreciate. In our programmes we have endeavored to use music that is simple, interesting, intelligible and digestible, yet of a high standard, so as to encourage a more kindly outlook on music."

The boy sopranos sang very delightfully two numbers, with Mr. Branscombe at the piano. Mrs. Cameron, at the invitation of Mrs. Scofield, the president, eloquently voiced the thanks of the club to the speaker and singers.

Announcement was made that Miss A. T. Riddell would address the club on Tuesday next on "Some Impressions of the National Council's Conference on Education."

Boy Scouts W.A.—The Women's held their monthly meeting at headquarters, Yates Street, yesterday afternoon, with a good attendance of members. The report of the combined Guide and Scout department was a huge success financially and socially. Plans were made for the garden fête to be held at Government House by kind permission of His Honor the Lieutenant-Governor, on June 22, with the following conveners: Afternoon tea, Mrs. Merritt, assisted by Mrs. Butterfield, Mrs. Dixon and others; stalls, Mrs. Bissell, candy, Mrs. Beveridge and Mrs. Shaw; ice cream, Mrs. Routledge; home cooking, Mrs. Moon; fancywork, Mrs. Cave; soft drinks, Mrs. Gornall and Mrs. Aaronson.

His Honor the Lieutenant-Governor and Miss Mackenzie will leave tomorrow for Vancouver en route for Kamloops, Douglas Lake, and other interior points. They expect to be away for about ten days.

Mr. Hugh Allan left to-day on a business trip to Calgary and Winnipeg.

Mrs. H. Wyndham Thomas, of 1439 Richardson Street, has returned from a brief holiday at Sidney.

Mrs. Charles C. Fagan, of Buffalo, N.Y., is a guest at the Empress Hotel to-day.

Mr. George Burnett and Mr. Elkhorn of Vancouver spent yesterday in Victoria and returned on the midnight boat to the mainland.

Mrs. Guy Goddard, who has been spending the last two months in Chicago, visiting her mother, Mrs. Buckingham, is expected back in Victoria at the middle of the month.

Mrs. Beryl Hyndman, Beach Drive, will spend the week-end in Vancouver as the guest of her brother-in-law and sister, Mr. and Mrs. R. C. Burdick.

Mrs. C. F. L. Money, Wilmet Place, has left for Vancouver to spend a few days with her daughter, Miss Eileen Money, who is a nurse in training at the Children's Hospital.

Dr. and Mrs. W. E. Mitchell, Granite Street, Oak Bay, have returned to Victoria after a lengthy absence from Lake, where they have been spending the last week.

Miss Inez Ker, who is on her way home to Victoria after a lengthy absence in England with her mother, Mrs. D. R. Ker, has been visiting Mrs. S. G. Parker in Toronto en route.

Lady Cunliffe and the Hon. Peggy Cunliffe, of Headley Court, Epsom, Surrey, who arrived at the Empress Hotel yesterday afternoon, left to-day for Vancouver.

Miss Peggy Law, formerly of Victoria, who has been visiting her aunt, Mrs. W. H. Blake in Montreal, will sail shortly for England on an extended visit.

Miss Monina McKenna, who has been spending the past three weeks in Winnipeg, has returned home. Miss Jean Gibson, who accompanied her to the film or the drama as one has to beg for the support of music, he pointed out. He also suggested that those responsible for music programmes should stand the standard for the highbrow, but for the lowbrow.

ISLAND WOMAN WON WILLINGDON MUSIC CONTEST

Mrs. Edna Baiss, Cobble Hill, Awarded \$100 For Piano Composition

Posthumous Award of \$200 to Isabel Ecclestone Mackay For Drama

Ottawa, May 3.—The final results in the Willingdon Arts Competition were announced to-day. The Governor-General offered prizes with a view to encouraging the arts and letters in Canada, the fields of music, drama, painting and sculpture being embraced in the competition. There were forty-four entries in the drama section, twenty-six in music, 197 in painting and twenty-five in sculpture.

The prize of \$200 for the best drama entered in the competition is awarded to the late Isabel Ecclestone Mackay, of Vancouver, for her play "What the Doctor Can Do," by Marge Macbeth, of Ottawa, is given honorable mention.

Three prizes were offered in the music section of the competition. The prize of \$300 for an original composition for a string quartet, open to all, is awarded for "Canadian Suite" by George Bowles, of Montreal. Honorable mention is given to "Phantasia Suite" (folk lore themes) by Roy A. Angus, of Toronto.

COBBLE HILL WINNER

The prize of \$100 for songs with piano accompaniment, open to students only, is awarded to Roy A. Angus for his "Aria from Cantata," entitled "Ode to the Brave" and "A Red Red Rose." In this competition honorable mention is given to "Two Fairy Songs" by Mrs. Edna Baiss, Cobble Hill, Vancouver Island.

The \$100 prize in the music section for an original composition, open to students only, went to the piano composition "Winter Awaits Spring," by Mrs. Edna Baiss, Cobble Hill, V.I. Honorable mention is given to "Woodland Idyll" by Lillian Percival, Montreal.

The prize of \$200 for the best painting submitted is awarded to Miss Prudence Howard, of Montreal, for her "Girl on a Hill." A number of paintings received honorable mention.

In the sculpture section of the competition, the prize of \$200 is divided between "Passing Rain" (Plaster Relief) by Elizabeth Wyndwood, and "Bronze Head" by Sylvia D'Aoust. Honorable mention is given to "Plaster Relief" by John Ryan, and "Chief Little Ears Blackfoot" (plaster) by Claude Gray, and "Portrait Bust" (plaster) by Henri Sebert.

Viscount Willingdon proposes to distribute the prizes himself to such as the competitors as can come to Ottawa.

An exhibition of the successful paintings and sculptures is being held shortly in the national gallery, Ottawa, and exhibits are being prepared for return to their owners.

It is the intention of His Excellency to give further prizes for this year. T. conditions will differ slightly from the competition just concluded.

VICTORIANS WIN IN B.C. FESTIVAL

Ted Coton, Elocutionist, and Geraldine Paterson, Pianist, Successful

Vancouver, May 3.—The sessions held at the British Columbia Musical Festival throughout Thursday were a constant source of interest to those present. The various events were keenly contested and evoked frequent favorable comments from the presiding adjudicators. Dr. Ernest MacMillan, Arthur Collingwood, J. Peebles Conn and Miss Margaret Crawford.

One of the most interesting moments at the night session was the presentation of the "Burns" silver challenge cup to the Vancouver Lions Glee Club, the only entrant in the service club class, while another beautiful trophy, the O. B. Allan Shield, was awarded the boys' choir from Lister-Kelvin School, New Westminster.

During the afternoon session elocution classes adjudicated by Miss Crawford, proved to be the centre of attraction. The competitors were commended for their excellent memory work by the adjudicator, who also commended upon the high standard of the performances.

In the elocution class for boys under sixteen, Ted Coton of Victoria, was winner with 184 points. James Baiss, Vancouver, with 178, was second.

Geraldine Paterson, aged eight, daughter of Dr. and Mrs. P. H. Paterson, pupil of Miss Gwendoline Harper, won the silver medal over fifty-seven competitors in the pianoforte class under ten years, with a margin of seven points over the nearest entry.

Chapter News Report—Miss Josephine Crease, the Lady Douglas Chapter's delegate to the provincial annual meeting, brought in a very interesting report on Thursday afternoon, when the Chapter met in municipal headquarters for which the regent, Mrs. R. R. McKicking, expressed the thanks of the Chapter to Miss Crease. A standing ovation of sympathy with Mrs. Hebbden Gillespie in the death of her husband was passed and letters of sympathy were sent to Mrs. J. E. Haywood in her bereavement, and to Mrs. T. C. Hawkins in her illness. All were pleased to hear of Mrs. E. C. Haywood's satisfactory recovery after her operation. The Chapter decided to hold a rummage sale on May 18, and contributions can be notified to Miss Gill who with Mrs. Walker, Mrs. Teasdale and Mrs. Brown, are planning to hold a play on behalf of the fund to be raised to furnish a room in the St. Joseph's Hospital, by the Chapter. The usual Tuesday meeting will be held in the harbor on May 24, and the public will be asked to protect, and not damage it. Mrs. Teasdale was appointed deputy standard bearer for the period at the annual meeting of the National Chapter, and Mrs. R. B. McKicking was appointed the Chapter's delegate. Members were notified that all can attend the open meetings of the National Chapter, commencing Monday evening, May 27, in the Empress Hotel.

It takes a lot of milk to make a little cream

MILK is only partly cream, just as ordinary soaps are only partly soap.

Sunlight is the cream of laundry soaps—all pure soap.

That's the reason why less of it is required to make rich cleansing suds... and, because it is all pure soap, it dissolves quickly. That is why clothes of women get so many more clothes clean and sweet in such a short time with Sunlight.

Let a bar of Sunlight prove how much more work it can do for you than ordinary soap.

Look for this Guarantee of Purity on every carton. It means real economy—longer life to your clothes—protection to your hands.

PRETTY MOTORIST BANDIT'S DECOY

Seattle Man's Pockets Rifled
By Man Concealed in
Girl's Car

Seattle, Wash., May 3.—Stopped by a comely, brunette motorist, who asked the direction to another street, Robert Bryan, who approached the pretty driver's car to answer her question, felt the barrel of a revolver pressed against his breast and stood peacefully while the girl rifled his pockets of \$19.

The man holding the gun had hidden in the car and was unnoticed by Bryan until he felt the revolver barrel pressed against him. He then told Bryan to be on his way and not to report the incident.

FashionPageant To Be Amplified

With a large attendance anticipated for the personality contest parade, floral shower, vaudeville and dance at the Crystal Garden on Tuesday night, the building has been made to have as everyone present may hear as well as see the outstanding events on the program. Mr. Desperance announced to-day.

The Radio-candidate store, which has erected a candidate in the personality promenade, has been made to have a complete amplification system throughout the building.

Mr. Desperance is another of the latest entries in the pageant, bringing the total number of candidates to date up to twenty representing eighteen different cities.

Many candidate applications are now being received by Mr. Desperance, who will be in the Crystal Garden with striking personalities.

The Crystal Garden after 8 o'clock in the evening will allot them their place in the parade.

Your Baby and Mine

By MYRTLE MEYER ELDRED

Mrs. Eldred will be glad to answer all questions pertaining to babies and children. A stamped and self-addressed envelope forwarded to this office.

READER OFFERS VALUABLE FEEDING SUGGESTIONS

Mrs. A. H. C. writes:

"I feel I must write and tell you how thankful I am for all the help you have given me. My baby will be eleven months old today and weighs twenty-four pounds and is thirty-one and one-half inches tall. He has five teeth, can crawl and stand and is beginning to walk around furniture. His mother and I agree so he isn't much trouble. I feel you are really doing his growth and I only wish I knew how to thank you.

"When I first started him on the cup, he didn't like it. One day when I left him with a friend he gave him hot coffee from a cup. That burned him and no doubt didn't taste any too good and after that every time he saw a cup he would cry hard.

"I purchased an aluminum cup for him and let him p ay with it until he was very fond of it, then I began giving him little sips of milk in it, poured from another cup. Now he takes it.

"Also with vegetables I began by giving half milk and half vegetable juice. I broke a half zucchini into this and when baby became accustomed to it I used more soup and changed the vegetable to sliced vegetables.

"When baby first started to crawl I would lead him along to his box of toys and have him pick up the toys he wanted into the box before taking another one. Now he picks up after himself and certainly saves me lots of steps.

"I read somewhere that if baby is given cod liver oil in his bath there won't be any stained clothes.

"I want to thank you again for all your help. May you have strength and courage to continue your good work."

ALICE

The strength and courage come from just such letters as yours. You have more than repaid any debt you owe me by the splendid and practical suggestions you have written.

The only other cod liver oil stains that might harbor the mother are those which might result from baby's spitting up while being dressed. It has been found that the best time to give cod liver oil (that is, the best time for keeping it down) is about one-half hour after a meal. It is seldom spit up then. If very often is spit back when given on an empty stomach and the mother is not sure if the baby's bath, wouldn't it? So sometimes these seemingly ideal suggestions don't work out in actual practice. Cod liver oil isn't a moot question right now, however, as we are putting our sunshine on the rays of W's and A's.

PEACE ISSUE IN BRITISH ELECTION

Women Waging Crusade on "Make Kellogg Pact a Reality"

London, May 3 (By Associated Press).—Strong in the power of a voting majority of two and a half millions, British women are waging a great peace crusade throughout the country to make international peace an election issue.

"Make the Kellogg pact a reality" is their slogan, and their two-fold object is to focus the attention of women voters on the question of international peace and to impress on parliamentary candidates of all parties that those who represent women in the law-making body shall also be peacemakers.

**Mrs. Tolmie To
Open Spring Show
At Royal Oak**

Under the auspices of the Royal Oak Women's Institute the annual Spring flower show will be held tomorrow at Royal Oak Hall. Mrs. S. F. Tolmie will formally open the show at 4 o'clock and Mrs. Nixon will present the prizes at 4 o'clock. The judges will be Mrs. Campion, Mrs. Bennett and John Hutchison.

There will be a beautiful display of flowers and miniature rock gardens and an interesting exhibition of home handicrafts, including rugs, clay pottery and jewelry.

B.C. Burns \$80,000,000 Bonds; Big New Vaults At Treasury Installed

Government bonds of a face value of approximately \$80,000,000, roughly four years' provincial revenue aggregate, were destroyed by fire here Friday—and yet they were merely so much waste paper.

British Columbia finance department officials, attended by provincial police, convoyed the once very much worthwhile securities to the altar, in the public incinerator, and watched the bill offering until it was quite consumed.

The bonds were those of British Columbia that have matured, been paid off, and are now so much waste paper, worth valueless paper in all the years since British Columbia's entry of the Canadian confederation.

MILLION STORED IN VAULT.

The week and last representatives of an Eastern Canadian safe company have been employed in reconstruction of the finance department vaults, which are of double-decker type, on the second and third floors of the main provincial building. The vaults have been recognized as anything but burglar-proof, although in them are stored securities representing sinking aid and the British leave, Workmen's Compensation Board and superannuation moneys, etc., of values running from \$50,000,000 to \$100,000,000.

It would, until the new stronghold had been provided since the new Government came in, have been comparatively simple for expert cracksmen to break through the safe deposit vaults and buildings here, too, are isolated at nights, not wired for alarms, and, but nominally guarded after office hours by a few night watchmen, the latter of whom is on bell call constantly.

The treasury might, therefore, easily have been gutted by yeggs of ambition at any time, and no one would have been the wiser.

Rain, Hail and Snow Throw Wrench Into Major Ball Games

Philadelphia Athletics Defeat Boston 5-1 in Only Game Played Yesterday in Either League; Lefty Grove Chalks Up Second Victory in Two Days and Third of Season; Athletics Slice Half a Game From Lead of St. Louis; Two Other Games Get Started But Are Washed Out.

Rain, hail and high water so swept the big league trail yesterday that only one game survived to its normal finish and if the Boston Red Sox had gained their wish, this one also might have been tossed overboard. There was insufficient rain at Fenway Park to save Boston from Philadelphia who won by a score of 5-1, to make it three out of four in the series. Grove won his second victory in two days and his third of the season.

As the Browns lay idle in Cleveland, the victory of the Mackmen cut half a game from the St. Louis lead. Herb Pennock made his second start of the season at the Yankee Stadium, but hostilities were drowned out after the first half of the third inning. Detroit and Chicago also encountered rain, snow and other unnecessary inconveniences.

The only attempt to unlimber a bat in the National League yesterday occurred at Brooklyn where the New York Giants pounded out two runs behind Larry Benton in the opener only to have rain descend at the end of the third.

At Boston—R. H. E.
Philadelphia 5 11 1
Boston 1 0 0
Batteries—Grove and Cochran; Russell, Macfadyen and Asbjornson.
Washington at New York, rain.
St. Louis at Cleveland, rain.
Detroit at Chicago, rain.

NATIONAL LEAGUE
New York at Brooklyn, rain.
Chicago at Philadelphia, rain.
St. Louis at Pittsburgh, rain.
Three games scheduled.

COAST LEAGUE
Los Angeles, May 3.—Hollywood, after dropping two straight to the lowly tribe yesterday finally chalked up a win over the Seattle Indians. Frank Shellenbeck pitching the Stars to a 4-3 decision. Hollywood won out in the seventh inning, when the Stars tallied three times on a wild throw by Fred Knote, Indian third baseman, singles by Heath, Shellenbeck and Rollings, and a double by Osterberg.
R. H. E.
Seattle 3 8 2
Hollywood 4 9 3
Batteries—Collard and Borenstein; Steineke, Shellenbeck and Basser.

Sacramento, May 3.—The veteran Otis Crandall drew the distinction of pitching the first shutout of the year for the Sacramento Senators, and he picked on his former teammates to do it. Doc, as he is known, let the Angels of Los Angeles down for the third successive time in a well-pitched game here yesterday, beating them 4-0. He beat them twice in Los Angeles, and bunched hits in the fourth and fifth scored the runs.
R. H. E.
Los Angeles 0 0 0
Sacramento 4 0 0
Batteries—Roberts and Hannah; Warren, Crandall and Koehler.

Oakland, May 3.—Holt's Thurston pitched the Seals to a 9-0 win over Oakland yesterday, and in doing so, caused the Oaks to experience their first shutout of the season. Thurston was in best form and the only two hits he allowed were singles by Frazies and Carlyle. The Seals hammered McAvoy for fourteen hits. In connecting again yesterday, Carlyle ran his string up to seventeen consecutive games in which he has garnered at least one hit.
R. H. E.
San Francisco 9 14 2
Oakland 0 2 3
Batteries—Thurston and Reed; McAvoy and Lombardi.

San Francisco, May 3.—Portland's Ducks came through for some time hitting behind Casarrella's pitching and defeated the Mission Reds, 3-2, yesterday. The Reds nicked Casarrella for eleven hits, but they were well scattered. Bovell, Portland right fielder, and Huff, of the Missions, each hit homers.
R. H. E.
Portland 9 10 1
Mission 3 11 0
Batteries—Huff and Rego; Hubbell, Nevers and Baldwin.

INTERNATIONAL LEAGUE
Jersey City at Buffalo, rain.
Baltimore at Toronto, rain.
Reading 3, Rochester 0.
Montreal 7, Newark 0.

AMERICAN ASSOCIATION
Indianapolis 0, Kansas City 2.
Toledo 4, St. Paul 13.
Columbus 9, Minneapolis 10 (ten innings).
Louisville 4, Milwaukee 4 (tie called in thirteenth inning).

W. Loughheed and Phyllis Hodgson Take Handicaps

Beating Winnie Pollard by a touch, Phyllis Hodgson, coming V.A.S.C. sprint swimmer, took first honors in the ladies' weekly handicap at the Crystal Garden, last night. Peggy Hodgson, the winner's sister, finished close third.

Will Loughheed won the men's event in a close race from Frank Hyslop. Tom Wellburn finished third, a split second behind the second place man. This victory kept Loughheed out in front in the total point competition. Betty Pollard still leads the ladies' aggregate division.

Following the races the club held a water polo practice.

Excursion to Seattle on Saturday, May 11, St. Princess Kathleen.

Hopes to Reach the Select Class

If baseball pitchers were figured like race horses, form players would tell you that Guy T. Bush, elongated right-hander of the Chicago Cubs, is on the verge of stardom.

Winning twenty ball games in one season has come to be quite an achievement for a pitcher in these days of slugging from the hip, but judging from his steady improvement since coming to the Bears, the tall Mississippian is due to break into that select class of hurlers no later than this summer.

His last year's record of winning fifteen and losing six can be summed up in race track parlance as "knock-

ing at the door" and, with the increased batting power the Cubs have amassed since last year to help him, he should win twenty games in a breeze this season.

Bush's first start this year, when he blanked the St. Louis Cardinals, allowing only three hits, has added an even stronger tint to Manager Joe McCarthy's rosy outlook in the pennant chase.

Bush was born in Aberdeen, Miss., in 1903 and came to the Cubs in 1924 from the Greenville club in the Cotton States League. After being farmed out for one year to the Wichita, Texas League club, Guy has been earning more than his keep from the chewing gum

coffers ever since.

Seattle Favored to Win Swimming Gala

Strong Senior Contingent of Swimmers and Divers Coming Over From Sound City; Victoria Placing Hopes on Juniors; Seventy-one Competitors to Take Part in Events; Junior Heats to be Run Off in Afternoon at 3.15 o'Clock.

With Seattle slight favorites to take first honors in the meet, the Pacific Northwest Y.M.C.A. championship gala in the Crystal Garden to-morrow night promises to be exceptionally keen. Seventy-one swimmers and divers have entered for the event and among them are some of the best in Washington and British Columbia. Although the meet is primarily an intercity event, it will take the proportions of an inter-state gala in which Victoria and Vancouver will represent British Columbia, while Seattle, Tacoma, Olympia, and other clubs will carry Washington colors.

Last year a Seattle "Y" team competed against a united squad of the Victoria Amateur Swimming Club and local "Y" squad. After a neck and neck race for total points, Victoria just managed to nose out the visitors by a small margin.

In the coming meet, only the Y.M.C.A. will represent Victoria, but in the junior division the city is expected to give exceptionally stiff competition to all invading teams.

SHOW GOOD FORM
The local youngsters showed very good form in their final work-out at the Crystal Garden on Wednesday and should be able to take places in several events.

At 3.15 o'clock to-morrow afternoon heats will be swum off in the different races in which there are a great number of entries. The finals will take place in the regular gala which will commence at 8 o'clock.

Swimming enthusiasts who saw the V.A.S.C.'s school children's gala last year will remember that the majority of prizes were taken by junior members of the Y.M.C.A. In view of the fact that the winners in that event will be representing Victoria to-morrow night, spectators are promised one of the best junior meets ever seen in this city.

Although Victoria and Vancouver will be able to offer Seattle very little opposition in the senior events, entries from the other Washington associations are looked upon as formidable contenders in the different races. In order to ensure the utmost fairness in the various competitions, Archie McKinnon, local organizer of the gala, has secured the services of M. Orphan, the Seattle, Washington, V.A.S.C. representative, to officiate as referee during the meet, and to settle any dispute which might arise during the evening.

Never before has Victoria had such a large entry list for a swimming meet, but it is hoped that the open to-morrow will establish a precedent for future galas.

Showing their willingness to cooperate in any manner possible to make the event a success, the Crystal Garden last night altered the springboard in order to give in more elastic form. Many other minor details have

been arranged to make the meet successful.

THE PROGRAMME
The complete programme for the event is as follows:
Afternoon heats, commencing at 3.15 o'clock.
50-yard junior breast stroke; two heats.
50-yard junior free-style; three heats.
100-yard junior free-style; three heats.
50-yard junior back stroke; two heats.
Exhibition diving.
EVENING EVENTS
200-yard senior relay.
Senior diving.
Junior diving.
200-yard senior relay.
50-yard breast stroke, senior.
200-yard breast stroke, senior.
50-yard free-style, junior.
200-yard free-style, junior.
50-yard back stroke, junior.
100-yard back stroke, senior.
100-yard free-style, junior.
100-yard free-style, senior.
Exhibition diving; three-metre board.
400-yard free-style, senior.

OFFICIALS
The officials for the gala are as follows:
Afternoon (heats)—C. Hopper, M. Orphan, W. S. McGuire, F. V. Shoemaker and A. McKinnon.
Evening—Starter, C. Hopper; Judges, R. W. Hibberson, W. R. Christopher; Referee, M. Orphan and F. V. Shoemaker; board scorer, J. McPherson; assistant board scorer, H. Robson; time-keeper, J. Wenger; recorder, J. Stewart; and announcer, N. Peterson.

GUN CLUB TO OPEN SEASON

Members of Victoria Gun Club Will Start Activities Sunday

Members of the Victoria Gun Club will hold the opening shot of the season at their traps located at the Colwood racetrack on Sunday morning at 10.30 o'clock.

The club has a number of fine trophies to be competed for this season, and a splendid programme of events is being drawn up. It is expected with several interclub shoots will be arranged during the course of the season.

Ammunition will be obtainable at the traps on Sunday.

Racing Strike At Aurora Is About Settled

Aurora, Ills., May 3.—Slight concessions by both sides last night indicated early end of the horse owners' strike which has caused a three-day postponement of the Spring programme at the Aurora racetrack.

Clifford R. Trimble, general manager of the track, said he was virtually certain that the inaugural card would be run Saturday.

been arranged to make the meet successful.

THE PROGRAMME
The complete programme for the event is as follows:
Afternoon heats, commencing at 3.15 o'clock.
50-yard junior breast stroke; two heats.
50-yard junior free-style; three heats.
100-yard junior free-style; three heats.
50-yard junior back stroke; two heats.

Vancouver Lions Defeated 3-2 By All-star Team

Los Angeles, May 3.—Vancouver Lions bowed to the Eastern all-stars in the final game of the Los Angeles ice hockey season last night, being beaten 3-2 for their only loss in the five-game series.

UPLANDS GOLF DRAW IS MADE

First Round of Match in Club Championship Carded For Sunday

Sunday will witness the first round of match play in the club championship at the Uplands Golf Club. All flights, with the exception of the championship, will be over eighteen holes, so that all finals may be played on Sunday, May 19. The defeated sixteen in the championship flight will form the first flight.

Bob Morrison, the defending champion, and winner of the medal honors in the qualifying round, has been drawn against George Pretty. Clarence Brynjolfson, last year's runner-up will meet P. Whitford.

The draw, with the starting times, follows:

CHAMPIONSHIP FLIGHT
8.40—R. Morrison vs. George Pretty.
8.45—A. E. Henshall vs. E. W. Elliot.
8.50—E. C. Dillabough vs. C. W. Brooke.

8.55—A. C. Falk vs. A. D. Radford.
9.00—R. L. Challopier vs. C. N. Westwood.
9.05—A. G. Mackie vs. W. Turnbull.
9.10—Allan Craig Jr. vs. S. C. Terlie.
9.15—P. Edmonds vs. C. Morrison.
9.20—W. Newcombe vs. A. D. Findlay.

9.25—H. O. English vs. C. L. Backle.
9.30—W. Wilkie vs. D. A. Macdonald.
9.35—W. Pomeroy vs. Walter Newcombe.
9.40—C. Brynjolfson vs. P. Whitford.
9.45—R. Foulis Jr. vs. J. A. Watson.
9.50—L. Clasen vs. J. A. Gedy.
9.55—H. Brynjolfson vs. S. G. Pele.

SECOND FLIGHT
10.00—E. L. Stock vs. F. R. Moore.
10.05—J. B. Lambert vs. J. H. McChesell.
10.10—Major G. G. Aitken vs. V. R. Gravin.
10.15—A. F. James vs. E. Hanbury.
10.20—R. Dunn vs. Jack Melville.
10.25—R. A. Semple vs. G. Leith.
10.30—D. Randall vs. W. L. Woodhouse.

10.35—D. M. Gordon vs. J. R. Hibberson.
THIRD FLIGHT
10.40—L. C. Lytton vs. J. Charleswood.
10.45—F. A. MacDonald vs. B. H. Aeronson.
10.50—F. J. Davis vs. A. Woodcroft.
10.55—G. S. Orr vs. Allan Craig Jr.
11.00—P. Austin vs. R. R. Taylor.
11.05—J. Davidson vs. T. R. Henderson.

11.10—H. B. Combe vs. F. H. Blashfield.
11.15—H. Meerns vs. M. R. Pearce.
FOURTH FLIGHT
11.20—F. L. Leslie vs. D. W. Campbell.
11.25—P. H. Partridge vs. J. P. Forde.
11.30—W. F. Loveland vs. T. Thirrell.
11.35—G. H. Walton vs. A. W. McIntyre.
11.40—A. B. Gonnason vs. F. Colpin.
11.45—J. J. Collins vs. C. W. Geiser.
11.50—G. R. Naden vs. James Stewart.

11.55—J. E. Lane vs. W. F. Masters.
FIFTH FLIGHT
8.00—Major J. C. MacDonald vs. E. S. Brown.
8.05—Gerald Lytton vs. A. P. Green.
8.10—W. E. Ditchburn vs. W. H. Lettice.
8.15—N. W. Pirrie vs. W. E. Quayle.
8.20—A. Tripp vs. W. Pollard.
8.25—T. W. Taylor vs. V. T. Richards.
8.30—A. C. Fitcher vs. W. A. Turner.
8.35—James Hargreaves vs. H. W. Dunn.

Outboard Motor Association To Meet To-night

A meeting of the Victoria Outboard Motor Association will be held to-night at the Victoria Yacht Club quarters at 9 o'clock. Great interest is being taken by local sportsmen in this sport, and a number of racing boats are now being constructed. All those interested in the association are invited to attend the meeting.

BOWLERS WILL START SEASON

Burnside Club Will Hold Official Opening To-morrow Afternoon

Burnside lawn bowlers will officially open their season to-morrow when their greens will be thrown open to the members. Considerable work has been carried out on the grounds, and they are in excellent condition for the opening.

Should Premier S. F. Tomlie arrive back in the city by to-morrow the members anticipate the pleasure of having Mrs. Tomlie deliver the first "wood" at the opening ceremony. Premier Tomlie is honorary president of the club.

The club inaugurated a new feature last night when a large number of the members accompanied by their wives attended a meeting at Hampton Hall to hear an address by James Renfrew on lawn bowling. Further talks will be given by officers of the club during the season.

Bill Signed To Permit Boxing In Hawaiian Islands

Honolulu, May 3.—Governor Wallace B. Farrington yesterday signed the bill which permits and regulates ten-round professional and amateur boxing matches in the Hawaiian Islands.

Provincial Cup Tie Soccer Matches Are Scheduled Saturday

Saanich Thistles Will Meet Sons of England, Vancouver Second Division Club, in Second Round of Province Cup Series, While Five C's Juveniles Will Clash With North Shore in Final for British Columbia Championship; Thistles Favored to Win; Local Juveniles Will Be Defending Their Provincial Title.

Soccer fans will have an opportunity of seeing two Provincial cup tie matches to-morrow afternoon, with one a final for the British Columbia championship. Commencing at 2 o'clock the Five C's juveniles will oppose North Vancouver Bluebirds, champions of the Lower Mainland Juvenile Football League, Division Three, in the final match for Provincial honors. This game will be followed by the Province Cup match between the Saanich Thistles and Sons of England of Vancouver.

With an opportunity of reaching the semi-finals of the provincial series by a victory, the Thistles will field a strong eleven for their game with the mainland eleven. The winner of to-morrow's game will meet New Westminster Royals, present Dominion champions, or the Hotel Vancouver in the semi-finals. In the first round of the series the Thistles defeated South Hill United of Vancouver 2-1 in a keenly-fought match in the mainland city.

THISTLES FAVORED
As the S.O.E. are of the Vancouver Second Division, the Thistles are conceded a good chance of winning. However, according to reports, the Englishmen have a strong and fast eleven so the Saanich team will have to be right on their toes all the time to be right on their toes all the time.

The Saanich team will be selected from the following: Rodger, Hogan, Joe Crowe, Harper, Armitage, Viggers, Jim Crowe, D'Arcy, E. Price, Essler, Minnis, Ewing and Robertson.

With their provincial title at stake, the Five C's are confident of taking North Shore into camp for the second year in succession. Last year these two clubs met in the provincial final, with the local team winning out by a 1-0 score. This year the main-land eleven has a stronger team. They have played thirty-one matches, scored seventy-six goals and have not lost or drawn a game this season.

Percy Payne stated this morning the C's would have their regular team on deck and hoped to inflict the first defeat of the season on the crack Vancouver eleven.

The Vancouver team arrived in the city this afternoon, and are making their headquarters at the Y.M.C.A.

GAVUZZI STILL LEADS HOOFERS
Finished Third Yesterday But Has Over Two-hour Lead on Salo

Miami, Okla., May 3.—John Salo of Pampa, N.J., and Sam Richman of New York tied yesterday for first place in the thirty-second lap of C. C. Pyle's union drive, running the 36.7 miles from Joplin, Mo., to Miami, Okla., in 43.50.

Salo, second in elapsed time, cut twenty minutes and twenty seconds from the lead of Peter Gavuzzi of England, and now is trailing by 2.53.25. Gavuzzi, eighth, still has a two-hour lead in the race.

Gavuzzi finished third yesterday in 43.17. P. J. Simpson of Burlington, N.C., was fourth; Philip Granville of Hamilton, Ont.; fifth; Gusto Emek of Toronto, sixth; Herbert Hedeman of New York, seventh; and M. B. McNamara of New York, eighth.

The fifteen leaders and their elapsed time for the race are as follows:
Pete Gavuzzi, England, 209.24.57.
John Salo, Pampa, N.J., 213.16.23.
Gusto Emek, Utah, 226.30.46.
Philip Granville, Burlington, N.C., 233.32.63.
Sam Richman, New York, 234.26.35.
Philip Granville, Hamilton, Ont., 240.22.40.
M. D. McNamara, Australia, 259.05.17.
Harry Abramowitz, New York, 270.43.02.
Herbert Hedeman, New York, 271.32.40.
Mike Joyce, Cleveland, 294.01.04.
Elwin Harbison, Santa Rosa, Cal., 306.19.33.
Guy Shields, Picher, Okla., 305.49.35.
Pat Harrison, Sullivan, Mo., 308.01.10.
George Rehahn, Germany 320.03.10.

HORSE RACING
Lexington, May 3.—Horse racing results here yesterday follow:
First race, Futurity course—Thistle star, \$4, \$2.60, \$2.40; Bonaer, \$2.80, \$2.40; Lady Herbert, \$3, Time, 1:13.3-5.
Second race, four and a half furlongs—Full Tide, \$10, \$5, \$5; My Lady, \$3, \$3; Nettie Pebbles, \$3.40, \$3.40; Time, 57.4-5.
Third race, Futurity course—Cochran, \$3, \$2.20, \$2.40; Fuss and Feathers, \$3.40, \$2.40; Mike's Baby, \$5; Time, 1:13.3-5.
Fourth race, four and a half furlongs—Lightning Jones, \$4.40, \$2.80; Lucky Dream, \$5; Lakeland, Time, 56.4-5.
Fifth race, Futurity course—Nicholson, \$3.60, \$2.40; Gardner Deer, \$2.80; Hot Shot, Time, 1:13.3-5.
Sixth race, Futurity course—Peggy Lee, \$6, \$3.60, \$2.40; Ragus, \$2.80, \$2.40; Nanny Carroll, \$5; Time, 1:14.3-5.
Seventh race, mile and a sixteenth—Pretty Run, \$4.40, \$2.80, \$2.40; Madam Emelie, \$5, \$3.40; Noble Wreck, \$2.80, Time, 1:59.2-5.

RE "I'M ALONE" CASE

To the Editor—The letter of Mr. Cogswell in your issue of April 30, appears to me very unfair and misleading in its statements in reference to the above case. From what I have seen of the case, I can see no grounds for the statement that the ship was a pirate, and preyed upon the commerce

of a friendly nation, nor do I think the United States ever made such a claim. The definition of a pirate as given by my dictionary is, "one who, without authority, attempts to capture ships at sea; a sea robber." I have never seen in any reference to the case, any such charges as the above, made against this ship. It was presumably a run-ship and a smuggler, which is very different from a pirate. If the ship was legally sunk, or captured, there can be no complaint; if not, why should not the United States pay for its illegal actions, the same as the smugglers, if correctly caught, for trouble or war, with the United States, or any other nation, not to break international laws. Presumably the case is going to be settled fairly, in

accordance with legal rights, and if the decision is against the United States, why should they not make amends, if they have acted illegally? Personally, my sympathy lies with the plucky captain and crew of the sunk ship, and if reparation is found due to them, I think it should be paid.

LARGER FARMS SEEN AS NEED OF B.C. FRUIT MEN

Minister Says Interior Settlers Should Take Up Mixed Farming

Salvation of the interior fruit grower depends on larger farms, Hon. A. G. Macdonald, Minister of Agriculture, announced to-day following his return from an investigation of conditions in the Creston and Oliver fruit districts. He was accompanied by Hon. F. P. Burden, Minister of Lands, and Dr. W. H. Gadsden, colonization commissioner. "Instead of twenty-acre farms being the rule, as at present, salvation of the fruit industry in this province depends on the establishment of large farms, and the taking up of mixed farming and good crops of alfalfa can be put in a single season. The result should be excellent for dairying."

Alberni

Port Alberni, May 3.—Ratepayers of Port Alberni and Alberni are to-day voting upon by-laws authorizing sale of the municipal electric utilities to the National Utilities Corporation Limited, a corporation controlled by Paulson and Simpson of Spokane, Wash. If the by-laws pass the Port Alberni electric generating station and distribution system will be sold for \$125,000 and the Alberni distributing system for \$40,000. A large cash deposit has been paid by the syndicate as evidence of good faith.

At a public meeting held in the Community Hall and presided over by Mayor R. Burde, Mayor Steele strongly supported the sale as reimbursing the city for all expenditures made and ensuring industrial development of the district. He pointed out that lower rates were guaranteed, whereas continuation of the present system would require increased charges for power and light.

Alderman C. McNaughton, Waterhouse, Hamilton and Bird supported Mayor Steele's views and City Clerk Cronk explained the protection assured the city in the agreement, which had been strengthened by Inspector of Municipalities Robert Baird.

Constable Hurt When Motorcycle Takes Bad Skid

When his motorcycle skidded on wet pavement at the intersection of Cook Street and Dallas Road about 10:30 o'clock last night, Constable John Blackstock, one of the younger members of the police force, was thrown from the machine with such force that he sustained severe injuries to his ribs on the left side and a cut on the head. He was taken to the Jubilee Hospital where his condition was said to be fair to-day.

HOOP FINALS CALLED OFF

Ladies' Dominion Championship Will Not Be Played, Official Declares

Winnipeg, May 3.—Canada will probably be without a championship team in ladies' basketball for 1929, according to a statement made by W. P. Aldritt, president of the Canadian Amateur Basketball Association, yesterday. Because Vancouver Meralomas, western titleholders, played an exhibition game against the Edmonton Grads and were defeated last Monday, 58 to 20, the eastern champions cannot be expected to bring the Meralomas to Toronto for the final, Mr. Aldritt declared. On authority of the entire executive Mr. Aldritt informed Meralomas that they could not expect to be brought East if they engaged in a contest with the Grads, but his admonition was ignored. The Grads, former Canadian champions, dropped out of Dominion competition when they refused to accept dates named for their scheduled play-off series against the Vancouver girls.

East and West will probably name separate champions, believes Mr. Aldritt, but he expects that no Canadian titleholders will be decided. Under this plan, Vancouver Meralomas would wear western laurels and Toronto Lakesides would be eastern champions.

Parking Costs Jump to Four Cents a Minute

Parking in restricted areas in the city yesterday cost three people about four cents a minute. The increase in the penalty for "over the hour" parking was responsible for this expensive space, fines of \$2.50 being imposed instead of the usual \$1.00. Those who paid fines in police court under the new ruling were R. W. Bridgman, W. R. Mitchell of Nanaimo and H. Anderson. Following a conference between Magistrate George Jay and Chief of Police Fry recently, it was decided to increase the penalty for this offence to relieve congestion in the business areas. It went into effect May 1. Other offenders against the parking by-law, who were listed before the first of the month, paid only the usual dollar bill this morning.

Phil Scott Winner Over German Champ

London, May 3.—Phil Scott, British heavyweight, decisively defeated Ludwig Haymann, German titleholder, in a fifteen-round match at Albert Hall, last night. Scott was far too clever for the German and piled up a big lead on points.

Treaty Influences Buying Of Bananas

By creating an import duty of fifty cents per bunch on bananas coming into Canada from the United States, the West Indies Treaty, which went into effect yesterday, will carry great weight in making Canadian jobbers trade with British banana growers. Shipments from the British West Indies will not be delivered here until May 17. Until that time, Victoria buyers will have to secure supplies from United States exporters, from Port Alberni and Alberni are to-day voting upon by-laws authorizing sale of the municipal electric utilities to the National Utilities Corporation Limited, a corporation controlled by Paulson and Simpson of Spokane, Wash. If the by-laws pass the Port Alberni electric generating station and distribution system will be sold for \$125,000 and the Alberni distributing system for \$40,000. A large cash deposit has been paid by the syndicate as evidence of good faith.

Baseball Players Limbering Up Now With Joint-Ease

After the game or practice Joint-Ease takes the kinks, stiffness, lameness and soreness out of your throwing arm so quickly that you'll want to start all over again in a few hours. It's great stuff—Joint-Ease—sure, and sure stars are due to it. Other stars—this day league riders, runners, jumpers, tennis and golf players all swear by Joint-Ease.

They say there is nothing like it, because it acts so quick in taking the kinks, lameness and soreness out of muscles and in limbering up stiff joints and tendons. It goes straight to the spot of soreness and brings blessed relief in short time. So if you want to keep in the game, take the tip of these successful athletes who know what's the best—use JOINT-EASE, a product of Canada, only 60c a tube at all good drug stores all over the Dominion. Kotsonaros Winner Of Wrestling Bout

Vancouver, May 3.—George Kotsonaros, of Los Angeles, defeated Wild Bill Thornton in the main event of a wrestling card here last night. Kotsonaros got the first fall with a reverse bodyhold and bar arm. Thornton was unconscious for two minutes and conceded the match.

New Forward Pass Rule Is Approved By B.C. Teams

Vancouver, May 3.—The proposed forward pass rule for Canadian rugby meets with the approval of British Columbia clubs. It was revealed last night at a meeting of the executive of the British Columbia Canadian Rugby Union. Senior, junior and intermediate clubs of the Province were unanimous in putting their mark of approval on the new rule, which, if introduced, is expected to open up the game to a great extent. The question of introducing the rule is being put to a vote of the clubs of the Dominion.

Dusty Miller Is Winner By a K.O.

Vallejo, Cal., May 3.—Dusty Miller of Victoria, B.C., heavyweight, defeated Joe Ferguson of New Orleans by a technical knockout in the seventh round of their ten-round main event here last night. It was Miller's fight all the way until it was stopped in the seventh.

Excursion to Seattle on Saturday, May 11. Sa. Princess Kathleen.

Hector and me are looking for a new home—we're getting tired of being treated like members of the family.

Veteran Oakland Golfer Scores a Record "Dodo"

Oakland, Cal., May 3.—Jack Kinsey, veteran Oakland golfer, yesterday had the distinction of having made what is believed to have been the longest drive to result in a hole-in-one. Kinsey made his famous shot from the eighth tee at the Oak Knoll Country Club course here yesterday to the green, a distance of 360 yards. The ball hit the pin and dropped into the hole.

Pigeon Racing

Syd Knott's Sidney won the Victoria and District Racing Pigeon Club's week-end race from Tacoma with a time of 2:46.31. Almost 185 birds from thirteen lofts entered this ninety-mile race. Knott thus wins the Little and Taylor prize, while R. Margison, owner of the bird that came second, wins the W. W. Duncan prize. The birds of J. Kinsey and J. Bland were third and fourth respectively.

	H.M.S.
Syd Knott's Sidney	2:46.31

R. Berrie's Beverley	2:59.45

The next race will be held from Chelms, Washington, an airline of 125 miles.

Old Country Cricket

London, May 3.—Good scoring marked play in cricket matches in England yesterday. The South Africans, who are playing at Worcester, declared their first innings closed when they had scored 444 for eight wickets. H. Union, senior, junior and intermediate clubs of the Province were unanimous in putting their mark of approval on the new rule, which, if introduced, is expected to open up the game to a great extent. The question of introducing the rule is being put to a vote of the clubs of the Dominion.

POWELL RIVER TO GET FIRST WIRE RADIO TELEPHONE

New Link With Cities to Be in
Operation This Summer

The first combined radio and wire telephone system in Canada will be initiated shortly between Victoria and Powell River, when the Northwest Telephone Company, a subsidiary of the British Columbia Telephone Company, opens its radio station now in construction at Campbell River.

Combination of radio and wire for commercial purposes is admittedly an experiment, and further development will depend upon the success of the Powell River installation.

Powell River is at present isolated from the rest of British Columbia, and the pulp, paper and other commercial activities of that district are eagerly awaiting the new service to be available this summer, according to officials of the Telephone Company.

Construction of telephone buildings at Campbell River and at Powell River, to house the radio equipment and the local exchange, are already in hand. The voice currents will travel from Powell River by radio and at Campbell River will be transferred to land lines communicating with Nanaimo and Victoria. Connections with Vancouver will be attained by the long distance cables under the Straits of Georgia.

MANY SAILORS USE INSTITUTE

Connaught Home Housed
2,800 Seafarers Last Year,
Annual Reports Show

That seafaring men who arrive here from all the ports of the world fully appreciate the haven afforded by the Victoria (Connaught) Seamen's Institute was proved yesterday when at the seventeenth annual meeting the reports showed that 2,547 sailors had registered within its portals.

Apprentice seamen and young sailors had also made full use of the institution, for 226 registered here on arrival during the year, the treasurer's report showed.

The number of free beds given was 327, and the number of free meals 182. Miss Swartz, wool convener, reports that there had been sent to the light-houses and hospitals or given to the seamen in distress 150 pairs of socks, 50 sweaters, 11 scarves, 2 caps and 2 pairs of cuffs. In his role of visiting chaplain, Rev. A. Carter, who is attached to Christ Church Cathedral staff, had given the greatest help to the society by his sympathetic understanding and his personal interest in the young seamen during the time they stay at the home.

WORK FOR LIGHTHOUSES

The lighthouses of this coast, to the number of thirty-three had received Christmas hampers filled with good things, and during the Summer forty-three boxes of reading matter had been sent to them, and, in addition, thirteen lumber camps had been supplied with similar shipments. Relief work provided during the year included gifts of coal, wood, groceries, and (in two cases) money. Sixteen men had enjoyed the generous dinner served at the institute on Christmas Day, open house having been advertised. A social in the evening concluded the day's entertainment.

Among the monetary gifts which had materially helped with the running of the home had been donations sent by Captain and Mrs. Neroutas and Mr. Bird (purser) as the result of entertainments held on the Princess Louise and other boats.

The treasurer's statement, read by Mrs. Gordon Smith, gave a highly satisfactory account of the year's finances.

OFFICERS ELECTED

Election of officers reinstated Mrs. Alice Thomson in the office of president, which she has occupied for a long term. The complete roster of officers for the ensuing year is as follows: Honorary president, His Honor the Lieutenant-Governor of British Columbia, honorary first vice-president, the Right Rev. the Bishop of Columbia; second, the Right Rev. the Bishop of Victoria; third, Rev. W. G. Wilson, D.D.; president, Mrs. Alice Thomson; first vice-president, Miss Swartz; second, Mrs. Vernon Thomson; third, Mrs. Wilby; honorary secretary, Mrs. W. R. Sayer; honorary treasurer, Mrs. Gordon Smith; wool convener, Miss Swartz; home committee: Mrs. Claudet and Mrs. McManus; hospital visitors, Mrs. Sayer; for Jubilee Hospital, Mrs. Finmore (for St. Joseph's), and Mrs. Jarquie (for Mrs. Ross's Nursing Home).

The committee comprises: Colonel A. R. Wilby, Mr. Arthur Coles, Very Rev. Dean Quinlan, Miss Claudet, Mrs. Snowden, Mrs. Vernon Thomson, Miss Swartz, Captain Walter Brown, Captain Allen and Mr. Bird.

Before the meeting adjourned Mrs. Alice Thomson, the president, was presented with a beautiful bouquet by Mrs. Gordon Smith on behalf of the guild.

Among the forthcoming activities of the guild are the tag day, to be held on June 15, and some time during the next month Miss Agnew has offered to lend her garden for an entertainment on behalf of the institute.

J. MARSH TO LEAD EAGLES

Elected President of Local
Aerie at Recent Meetings;
Executive Is Chosen

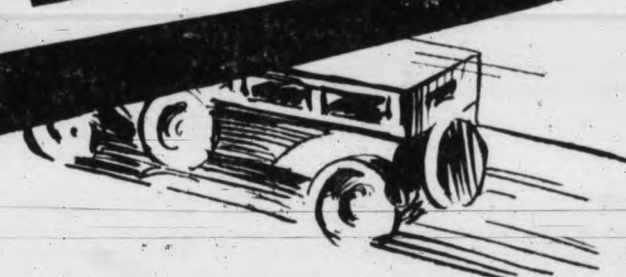

J. E. Marsh was elected president of Victoria Aerie No. 12, Fraternal Order of Eagles, at a recent meeting of the body. He will be aided in his work by C. H. Lester, the new vice-president, and the following executive: G. H. Smith, chairman; W. W. Lang, secretary; E. Pitney, treasurer; George Roe, vice-director; J. Pav, inside guard; and J. H. Smith, trustee.

These newly elected officers will be installed into their various posts at the Aerie's next meeting on Wednesday, May 29. Frank Le Roy, state president; J. E. Marsh, C. H. Lester and W. W. Lang were appointed local delegates to the annual state conference at Wenatchee, Washington, on June 28, 29 and 30.

Grouse Mountain Greater Community Spirit Campaign

GRAND PRIZE
\$25,000.00
WEEKLY PRIZES
\$1,000.00

A Fortune In Prizes \$1 Makes You Eligible

HOW are great projects built? For instance . . . the Panama Canal . . . the Roosevelt Dam . . . the St. Lawrence Waterway . . . the great Alpine tourist resorts? They don't just happen. They are not the result of luck or chance. Nature is a factor, but not the determining factor.

These developments take place where people will them. People with brains, possessing initiative, imagination and determination, co-operate and build.

Let us in Western Canada, co-operate to make Grouse Mountain what it potentially is . . . the greatest scenic resort and mountain playground on this continent.

Approximately \$750,000 has been invested in development to date. A highway has been built and other facilities created. Engineers advise that another half million dollars is required to complete this project. A worthy resort hotel must be constructed . . . the highway must be hard-surfaced . . . a great aerial tram must be erected . . . the mountain plateau must be converted into a paradise of flowers in the summertime, and a gigantic playground for winter sports.

When you purchase a \$1.00 Grouse Mountain Greater Community Spirit Ticket, you help to achieve this objective. Every dollar received from this Campaign will be used to develop Grouse Mountain. You get full value for your money as the price of the ordinary ticket presently in use is \$1.00, and each ticket purchased entitles you and your party to motor over the Grouse Mountain scenic highway once, now or at your convenience.

The Company has made provision for a \$25,000.00 Grand Prize and substantial weekly Cash Prizes which will be given to those individuals who help to make this Greater Community Spirit Campaign a success. The Plan is simple: For the duration of the Campaign there will be 30 Cash Prizes each week . . . One, \$200 Cash Prize; One, \$100 Cash Prize; Twenty-eight, \$25 Cash Prizes. Every purchaser of a \$1.00 Grouse Mountain Highway Community Spirit Ticket is eligible to receive one of these Weekly Cash Prizes. A person purchasing more than one ticket is eligible to receive a Cash Prize for each ticket purchased. The names and addresses of the Prize Winners will be published each week. At the end of the Campaign the persons who have won a Weekly Prize will be eligible to receive the \$25,000 Grand Prize. And, it is to one of these fortunate Weekly Prize Winners that this fortune of \$25,000 in cash will be awarded. Read the Rules for full particulars.

Let us co-operate to make Grouse Mountain the greatest tourist attraction on this continent. To Western Canada it will attract a river of tourist gold. It will be, when completed, a source of pleasure and profit to all. Fill in and mail the attached coupon NOW!

Rules Governing Grouse Mountain Highway and Scenic Resort Limited Greater Community Spirit Campaign

ONE: The Company has made provision for a Grand Prize of \$25,000, also Weekly Cash Prizes, totaling \$1,000 each week, for the duration of the Campaign. This week's Cash Prizes shall be divided as follows: One, \$200 Cash Prize; one, \$100 Cash Prize; twenty-eight, \$25 Cash Prizes . . . thirty Prizes in all.

TWO: Every purchaser of a \$1.00 Grouse Mountain Highway Community Spirit Ticket is eligible to receive one of the Weekly Cash Prizes, excepting the officers, directors, shareholders and employees of the Grouse Mountain Highway and Scenic Resort Limited, or their relatives.

THREE: A person purchasing more than one ticket will be eligible to receive a cash prize for each ticket purchased.

FOUR: Each week the Prize Winners shall be determined and the names and addresses of each Prize Winner published. These Prize Winners and the Prize Winners in each subsequent week for the duration of the Campaign shall be eligible to receive the \$25,000 Grand Prize.

FIVE: The Grand Prize shall be awarded to one of the Weekly Prize Winners at the end of the Greater Community Spirit Campaign.

SIX: The method of awarding the Prizes shall be fair and impartial, each Ticket-holder having equal opportunity without prejudice. The following well-known men of unquestionable integrity have accepted the responsibility of awarding the Prizes and their decision shall be final and binding:

HONOURABLE W. C. SHELLY, Minister of Finance of British Columbia.
W. ROY W. McINTOSH, Managing Director Kelly, Douglas & Co., Ltd.
E. I. McDOUGALL, Member-Grant & McDougall, Barristers.
DONALD McLEOD, with Stewart & Welch, Contractors.
DR. G. H. WORTHINGTON, President Vancouver Drug Co., Ltd.
M. H. LEGGATT, formerly Secretary-Treasurer Wood, Vallance & Leggatt, Ltd.
BRENTON S. BROWN, President, Greater Vancouver Publicity Bureau.

SEVEN: It is not necessary for the purchaser of Greater Community Spirit Ticket to visit Grouse Mountain during this campaign to become eligible to the prize money, but such persons may drive over the Grouse Mountain Scenic Highway once for each ticket purchased at such time as suits his convenience.

EIGHT: Purchasers of tickets, whose application coupons arrive at the Grouse Mountain Highway and Scenic Resort Limited, on or before 5:00 p.m. of Friday each week, will be eligible to receive the current Weekly Cash Prizes. Application Coupons received subsequent to that time will be eligible to the succeeding week's Prizes.

NINE: All records in regard to sale of tickets and all monies received and paid shall be under the supervision of Geo. A. Tensche & Co., Chartered Accountants, Vancouver, B.C. The Dominion Bank of Canada will be the depository of all Campaign Funds.

TEN: Fill in the attached Coupon with name and address plainly written. Attach \$1.00 for each ticket desired. Mail to the Grouse Mountain Highway and Scenic Resort Limited, 440 Pender Street West, Vancouver, B.C.

NOTE: Tickets may also be purchased at Stores having
Grouse Mountain Community Spirit Tickets for sale, or
at the Company's office, 440 Pender St. West,
Vancouver, B.C.

LOG BREAKS MAN'S BACK AT ALBERNI

Port Alberni, May 3.—Harry Preston, brakeman, had his back broken on Wednesday when a log rolled from a logging train at the Alberni Pacific Mill. How the log broke loose has not been discovered. The accident is the second this week. Thomas Little having been killed by a log on Monday when loading a car.

RAILWAY BILLS APPROVED

Ottawa, May 3.—In the Senate yesterday second reading was given the C.N.R. branch line bills and the measures were referred to the railway committee. The bill for the acquisition by the C.N.R. of the Quebec, Montreal and Southern Railways also received second reading and was referred to the railway committee.

Excursion to Seattle on Saturday, May 11, Ss. Princess Kathleen.

Hundreds Seek Summer Jobs On Big Surveys

Government Enlists Air Squads to Aid Land Forces on P.G.E. Blocks

Posts are now being allotted at the Parliament Buildings on twelve big survey parties, which the British Columbia Government will send out for all-summer field work in the P.G.E. subsidy land blocks.

Hundreds of young men, college and high school students are applying directly to the Cabinet Ministers at the Parliament Buildings or through members of the Legislature for their own districts for places on these parties.

Hon. F. P. Burden, Minister of Lands, announced to-day that C. R. Crisdale, engineer in charge of the survey, had opened offices at the Parliament Buildings and had already started to work a staff of draftsmen preparing plans for the field work.

"No time will be lost in getting the parties out into the field," Mr. Burden said. The work must be completed this summer and we will have them out in the field just as soon as the weather permits.

Mr. Crisdale will make Prince George his base of operations and will tap the waterways of the Peace River from Summit Lake, about thirty-two miles from Prince George.

Besides the land parties, there will be a flying squad, consisting of two aeroplanes of the Dominion Air Force. "Closest co-operation between the land parties and flying machines will be established, as photographs taken from the planes will play an important part in the topographical surveys," Mr. Burden said.

If two planes are not enough, the Government will press more of them into service, he said.

The geology, mineral and timber resources of the country are to be covered in the report, Mr. Burden explained. Cost of the survey is being borne by the British Columbia Government, Canadian National Railway and Canadian Pacific Railway.

B.C. Considers Reclamation of 8,000 Acres

Syndicates Make Proposals For Rich Kootenay Flats

Another big reclamation scheme, second only to that at Sumas, and which would bring under cultivation 8,000 acres on Kootenay Flats, is now under consideration by the Provincial Government, Hon. William Atkinson, Minister of Agriculture, announced to-day.

"Several proposals have been put before the Minister of Lands for the reclamation of these lands, which are of little use at present," said Mr. Atkinson. "The syndicates concerned have made offers to the Government making concessions for carrying out the reclamation, but none have reached concrete form yet. The proposition would have to be carried out on a very large scale."

"If it is possible to carry out this reclamation, a very rich area of farm land, some of the best in the Province, would be brought under cultivation."

EAGLES PLAN DANCE REVUE

Varied Programme Drawn Up For May 11 Presentation in Royal Victoria Theatre

Dancing, classical, popular and humorous, will feature the big revue to be sponsored by the Eagles Lodge in the Royal Victoria Theatre on May 11.

The entire programme will be directed by Hamilton Douglas, well-known dancer of this city. During the revue, parodies on Canadian games, including hockey, golf, baseball, boxing, basketball, football, tennis and bathing, will be executed in a dance form.

In each case the performers will take the stage in teams. Manoeuvres and actions peculiar to the various games will be carried out on the stage.

OTHER DANCES

Beside this novel display, in which scores of dancers will take part, ballets, tap dances, schottisches, the "various drag" and many other popular and classical steps will be shown.

The Latin dance and "snow" toe ballet by twenty girls, promises to be among the high lights of the programme. This latter step will feature Genevieve King and Hugh Beckwith.

Miss "Ruthie" Miller and Frances Clarke will lead the big revue numbers. Hamilton Douglas, who will leave for New York to take part in a \$25,000 dancing competition shortly, will give exhibition of the triple waltz, the triple tango, fox-trot, one-steps, hesitations and other popular steps. In these he will be assisted by Misses Isabel McGillivray, Ruth Weers, Sally Turnbull, Ellen Heathusht and Ruth Beckwith.

Pooley and Flyers To Open Airport At Grand Forks

Acting Premier Pooley will perform the opening ceremony at the Grand Forks airport next Thursday, when a squadron of ten aeroplanes under Squadron Leader Don S. Phillips will swoop down.

Among the speakers at the opening luncheon will be Major D. R. McLaren of the Western Airways, L. A. Dobbin of the Dominion Airways and Norman Yarrow of Yarrow's Aircraft Corporation.

MAKE YOUR FALSE TEETH FEEL NATURAL

MILTON DOES IT!

Probably you have heard that Milton really cleans false teeth in an almost miraculous fashion, without effort, and quite without damage—ask your dentist.

It does more. It makes the plate feel natural in your mouth—does away with that feeling of strange bulk and discomfort. Scores of people have written that for this blessing alone Milton is priceless to them.

Try it! It always does it!

The two (the only two) ways of cleaning false teeth are described in the little book which comes with the bottle. Three sizes—35¢, 65¢ and \$1—from your nearest dealer.

TO-DAY'S GRAIN MARKETS

(By Branson Brown and Co. Ltd.)

Winnipeg, May 3.—Wheat: Another featureless day in the wheat market. Opening prices were unchanged but the market eased off about half a cent and stuck there most of the day with little or nothing being offered on the dip. Trade was practically all local but there was a little outside selling of October. A report that President Hoover was considering shipments of quantities of wheat to China to relieve famine there and incidentally provide an outlet for a portion of the American surplus brought in a little buying and the market firmed up, regaining the earlier loss. There was a fair export business over night of a scattered nature.

In the cash market, shippers and millers were taking the odd lot 8-9 and lower grades, and early prices on some grades were a quarter better by spreads closed unchanged.

Buying demand is rather slim as eastern congestion is restricting shipments from lake head for time being. The news from winter wheat territory was mostly favorable and the threatened frost did not materialize.

Southern Alberta again received good showers, and scattered showers are forecast for Alberta and Saskatchewan. European weather is not altogether favorable and moisture is needed in both Argentina and Australia. One large local export house estimates the Canadian surplus as at May 1 at 211,000,000. Last year at same time the surplus was 164,000,000. Unless exports materially increase the carry-over will be huge and the largest in the history of Canada.

Coarse Grains: These markets were very dull with a poor demand and from all directions and no export business confirmed. Prices were steady at start but eased off later with a little liquidation throughout the day.

Flax: Market was a little firmer in sympathy with strength in the Duluth market, but trade volume was very small and without feature.

Barley: Market was a little firmer in sympathy with strength in the Duluth market, but trade volume was very small and without feature.

Wheat: 112-113 1/2-114 1/2-115 1/2-116 1/2-117 1/2-118 1/2-119 1/2-120 1/2-121 1/2-122 1/2-123 1/2-124 1/2-125 1/2-126 1/2-127 1/2-128 1/2-129 1/2-130 1/2-131 1/2-132 1/2-133 1/2-134 1/2-135 1/2-136 THE TINYMITES

STORY BY MAL COCHRAN—PICTURES BY KNOCK

READ THE STORY, THEN COLOR THE PICTURE

Brave Clowny thought that he knew best. And though it didn't pick the rest he poked up at the hornets' nest, believing it a safe. Said he, "I'll knock this to the ground, come on, you Tinies, gather 'round—You will have the finest treat since you have been alive."

"There's honey in that thing, I'm sure—unless my guess is rather poor. We'll open it and have a feast. How does that sound to you?" Then Scouty said, "I think it's wrong to steal. For that I am not strong. I'd help you if I thought it was the proper thing to do."

The Goodygood stood back and smiled. And to himself he said, "This child is going to get a big surprise, and it will serve him right. He thinks that he'll find honey there. Instead, he'll find an awful scare. I'm going to be already now to run right out of sight."

Then Clowny gave one more poke, and from the tree the queer nest broke. "Ah, here it comes," he shouted. "Now, we'll have a heap of fun. We'll make some sticks right out of wood to eat the honey. If it's good. You all will shortly thank me for the kind thing I have done."

Alas! The nest hit on the ground, and then poor Clowny shortly found that it was filled with hornets, and was not a honey hive. Of course the hornets all were mad. This made the situation bad. In just a moment all the air with hornets was alive.

"Run for your lives," one Tiny cried. "We'll have to find some place to hide." And so the bunch began to run, amid the hornets' din. "If I get stung," one Tiny cried, "I'll make big welts upon my hide." But then the Tinies reached a stream, and promptly jumped right in.

To-morrow's Horoscope

SATURDAY, MAY 4

Astrologers read this as an uncertain day, because while benefic aspects dominate there are sinister ones that are strong.

Under this sway women probably will be exceedingly energetic and yet variable in their mental attitude. It is supposed to be even easier than usual for the feminine mind to change under this direction of the stars. While romance may seem to flower at this time and engagements may be numerous among the young, jiltings may be frequent.

This is not an altogether lucky wedding day, since divorce may be easily solicited unless stability of affections is sedulously cultivated. The stars foretell the discovery of a really great play some time before the Autumn and they prophesy a return to classical and serious drama. Under this planetary government the speed mania will be even more prevalent than it has been. Many accidents are prophesied, but general advancement in transportation facilities may be expected. The evening of this day should be a most auspicious time for entertaining, especially if celebrities are to be feted. Contacts with prosperous persons should be sought to-day, which seems to preface success through influential friends. International problems of serious import may arise under this direction of the stars, which indicates new responsibilities for American diplomats.

The Summer is to bring many varieties of weather and many days of extraordinary heat, if the stars are rightly interpreted. Resorts of every sort will profit, it is foretold, and owners of hotels will be exceedingly fortunate.

Persons whose birthdate it is have the assure of fortune more or less imperative. Friends will make demands for help in all probability. Children born on this date should succeed in science and public affairs. Both boys and girls may have in them the elements of leadership.

BEDTIME STORY

Uncle Wiggily And Tommie's Top

Copyright, 1929, by McClure Newspaper Syndicate

By HOWARD R. GARIS

Tommie was a pussy boy. His last name? It was Kat. I'll tell you a tale about him. Now what do you think of that?

Tommie had saved and saved and saved up all his money, oh, for ever so long, until at last he had saved a whole penny! Yes, really a whole penny! You see, a pussy cat's money is much smaller than ours and what we call a penny is as much as ten cents to a cat. So it took Tommie ten times as long to save a penny as it would you. But at last he had all the ten little pieces of money which, when put together, would make a penny, and he held them tightly in his paw so they wouldn't spill. He ran as fast as he could to the toy shop.

Tommie was running with his head down and his tail stuck up in the air like a fishing pole when, all of a sudden, he bumped into something soft. It was so soft that Tommie wasn't hurt, but when he got up he found he had bumped into grunted. "Ugh!" why Tommie knew he must have hit something alive. And he had.

It was Uncle Wiggily, and Tommie had butted his head into that soft part of the old rabbit gentleman right where Uncle Wiggily wore his watch chain. "Oh, excuse me," mewed Tommie. "I'm so sorry, Uncle Wiggily."

"Persia's parliament is called the 'Majlis'."

Foreign physicians cannot practice in Turkey unless they were licensed by the Turkish government before 1914.

Nitroglycerin, the powerful explosive, is also one of the most potent heart stimulants known.

"Oh, excuse me!" mewed Tommie.

Uncle Wiggily did not answer. He sat down on a stump and made funny faces and wrinkled his pink nose. "I hope you aren't angry at me, Uncle Wig," mewed Tommie, looking to make sure he had all the ten pieces of his penny in his paw.

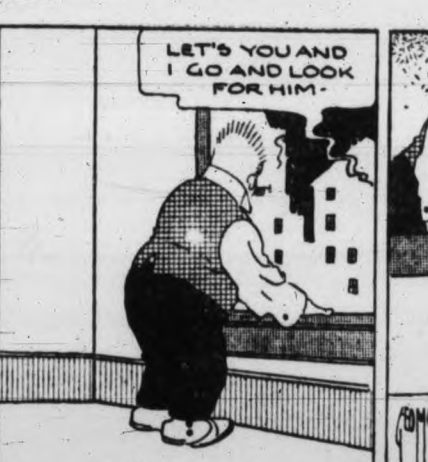

Uncle Wiggily kept making funny faces. "Are you?" asked Tommie, louder this time.

"Oh, no, Tommie," said Uncle Wiggily, slowly like and hesitating. "I'm not at all angry. You just sort of knocked the wind out of me when you bumped into my watch chain. I couldn't find my breath for a moment. But why are you so sorry, Tommie?"

"Because," mewed Tommie, "I have saved up a whole penny! He showed Uncle Wiggily the ten mills in his paw—the ten mills that make a cent. 'I'm going to the toy shop,' mewed Tommie. 'What for?' asked Uncle Wiggily. 'To buy a top,' said Tommie. 'Want to come?' asked the rabbit gentleman. 'I will watch you spin your top.' It did not take Tommie hardly any time at all to spend his penny. Not nearly as long as it had taken him to save it. But he bought a fine red top and a string and then he and Uncle Wiggily went out in the woods to spin it.

Tommie wound the string around his

LOCAL FISHERMEN TO ASK EXPLANATION FROM OTTAWA

Meeting Decides to Question Major Motherwell Regarding Change of Twenty Fish Per Boat Per Day to Ten Fish; Question of "Is a Grilse a Salmon?" Should be Decided Immediately, Meeting Says.

Asking for an explanation of the new rules effecting fishing in British Columbia, interested sportsmen of Victoria will communicate with Major J. A. Motherwell, Federal Inspector of British Columbia fishing with headquarters in Ottawa, it was decided this morning at a special meeting held in the Chamber of Commerce and attended by representatives of West

Coast canneries, local sporting goods stores and a number of independent fishermen. G. D. Patterson was chairman of the meeting. The communication will ask Major Motherwell how the regulation of twenty fish per boat per day had been changed to ten per boat per day, and why the maximum has been changed to five fish per person. At a meeting held recently and attended by Major Motherwell and local fishermen it was decided that the regulation should be twenty fish per boat per day. The change had been made since Major Motherwell left for Ottawa, it was reported.

WHAT IS A GRILSE?
The much-discussed question, "Is a grilse a salmon?" should be cleared up before a new set of rules came into effect, it was stated at this morning's meeting. As far as could be ascertained at the meeting a grilse is a salmon not returned to fresh water. By buying a license for one dollar any individual sportsman can avoid the five fish per man rule, it was argued. There should be something done to prevent this, those present agreed. Before further action could take place or anything definite done, it was necessary to wait for Major Motherwell's reply. A meeting will be held when this is forthcoming.

ST. CLAIR FLOOD CAUSES LOSSES

Windsor, Ont., May 3.—Damage estimated at \$500,000 was done last night by flood waters of Lake St. Clair between Riverside and Jeanette's Creek. The Canadian National Railways, whose lines run close to the lake front, have a squad of men patrolling the tracks between Riverside and Belle River. The lake burst through its banks at several points, and it is estimated more than 1,000 acres are under water.

Winkler Affirmed As Silver Tip Head

George E. Winkler, prominent mine operator, was re-elected managing director of the Silver Tip Mines at the annual meeting of the company held in the board room of the Pemberton Building. The reports showed the company, financed for operations this year, work will be pushed exploring the upper high grade levels. In reply to questions from shareholders, Mr. Winkler gave the results of ore assays and indicated the extent of the ore bodies now opened up. Shareholders showed interest in the activities of the Consolidated Mining and Smelting Company, which has opened some very high assay bodies of ore in the adjoining Big Missouri property and which has also acquired other claims adjoining the Silver Tip.

TO ESTABLISH PLANE SERVICE IN THE ORIENT

Officials of Stinson Aircraft Co. Will Sail To-morrow Aboard President Grant

To establish a passenger plane service and air mail route between Shanghai and Nanking, Walter Henderson, Jerome B. Macfie and Arnold Wier will pass through Victoria to-morrow afternoon aboard the American Mail liner President Grant. They will board the vessel at Seattle.

The three men are connected with the Stinson Aircraft Company of Detroit and are taking a number of planes along with them as excess baggage. They will commence operations in the Orient immediately final plans are made. Already the route has been tested and found satisfactory for such a service.

Another prominent passenger who will sail aboard the Grant will be I. T. Stauffer of Philadelphia. Accompanied by his wife and two sons, Mr. Stauffer will leave the liner at Yokohama and take the Orient to take command of the Standard Oil Company.

A prominent United States naval man aboard the liner to-morrow will be Rear Admiral Thomas T. Craven en route to Shanghai to take command of the Yangtze patrol. He is accompanied by his wife and daughter. Another official of the navy will be Lieut. Atherton Macdonald en route to Shanghai where he will be stationed with the Asiatic fleet. Mrs. Macdonald will accompany him.

PLEASE TOURISTS
Pleasure tourists aboard the liner to-morrow will be Miss Elizabeth Buckish of Denver en route to Saigon where she will make an extended visit with friends. Maurice Giber of New York on a pleasure trip to Japan and China. Miss Esther Ruhl of Carthage, Mo., en route to the Philippine Islands on a pleasure tour. She will disembark at Yokohama and make a leisurely journey through the Orient.

A prominent engineer who will sail to-morrow will be William A. Dorey of Newark, Ohio, en route to Manila, accompanied by Mrs. Dorey and his daughter. Mr. Dorey is a designing engineer with the Holophane Company of Newark.

COAST SURVEY WORK PLANNED

Charting of Island Waters on West to Go Ahead, Chamber Informed
Charting of the West Coast of Vancouver Island will be proceeded with this summer and pushed more extensively next season, the Chamber of Commerce has been informed by Hon. J. P. Cardin, Federal Minister of Marine and Fisheries. The chamber first pressed for a wider hydrographic survey of the coast five years ago and has on several occasions since renewed the request. Considerable work has already been done by the department. Recently the Vancouver Merchants' Exchange also took up the matter and with the Victoria Chamber forwarded a strong petition for immediate continuation of the work. More equipment will be available for the work next season, the Minister stated in a telegram which was laid before the directors of the Chamber to-day. A thorough survey of the coast is expected as a result of the Chamber's representations.

Saskatoon Laborers Oppose Immigration

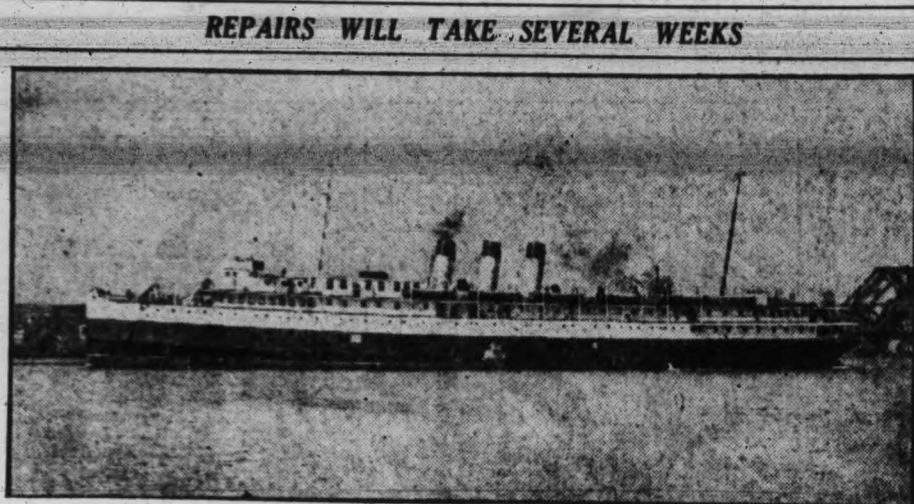

Saskatoon, May 3.—More than 650 laborers, meeting in this city last night, passed a resolution expressing their censure of the Federal Government for the large influx of immigrants, to be forwarded to Regina with a request to the Saskatchewan Government to use its influence in protest against immigration. All union members present agreed they would not work for less than forty cents an hour on any building laboring work and said that as soon as the union was strong enough contractors and employers of labor in this city would be asked for a minimum wage of fifty cents an hour. The Labor Temple was filled to capacity. Nearly seventy-five per cent of those present came from Central Europe, and many of them said they had been lured here under false promises and false promises as to conditions obtaining here.

Ice-breaking Ferry Sought For Shuswap

A new ferry, which can be used as an ice-breaker on Shuswap Lake, is being sought by the Department of Public Works. Tenders are being called by the department for the operation of such a ferry on a five-year contract and on an improved service.

Help Wanted
Editor (to applicant for a job): Any previous newspaper experience? Applicant—No, but I was editor of my school magazine.
Editor—Oh, I am so sorry, we've got one editor.

SS. PRINCESS CHARLOTTE
which is now tied up at the Evans, Coleman and Evans pier in the Inner Harbor awaiting repairs to her engines. It may be necessary to send to England for parts and in this case the Charlotte will not be ready for service for at least two months. She is scheduled to take the Alaska tourist service in June but her place will be taken on the run by one of the other C.P.R. coast steamers, probably the Princess Adelaide.

Yokohama Maru Due From Orient Early To-morrow

From ports in China and Japan, the liner Yokohama Maru will arrive at Race Rocks tomorrow morning at 8 o'clock, a wireless message received in Victoria this morning by A. H. Hebb, local agent from the captain of the vessel, announced.

This time should bring the ship alongside the Rithet pier about 8 o'clock to discharge 150 tons of general cargo. Several passengers will also leave the liner here before she proceeds to Seattle.

Spoken By Wireless

Mar. 3, 8 p.m.—Shipping:

AKAGISAN MARU, Tacoma to Yokohama, 310 miles from Estevan.
Mar. 3, 12 noon—Weather:
Estevan, cloudy; southeast light, 30.0; 40.0, moderate east.
Pachena, cloudy; east, 30.1; 44.0, sea.
Prince Rupert, cloudy; calm, 30.1; 45.0, sea, smooth.

YACHT BRINGS SEATTLE GOLF PARTY HERE

Carrying a party of golfers, the power yacht Helen Irene, flying the burgee of the Seattle Yacht Club, arrived in the harbor early to-day from the Sound and anchored in the Inner Harbor off the Causeway. The owner, Jesse Bowles, well-known Seattle business man, was aboard, accompanied by H. C. Hibbard, W. C. McKay and Gerald Shannon. Mr. Bowles stated that he and his friends intended to play over the Oak Bay course and would remain in the city until Sunday.
